The National Highways and Infrastructure Development Corporation Limited (NHIDCL) was incorporated on 18th July, 2014 with share capital of Rs. 100 crore and paid up capital of Rs. 5 lakh as a Public Sector Undertaking under the Companies Act, 2013, under the Ministry of Road Transport & Highways, Government of India, inter alia, to fast pace construction of National Highways and other Infrastructure in the North Eastern Region and Strategic Areas of the country which share international boundaries. The initiative is aimed at economically consolidating these areas with overall economic benefits flowing to the local population while integrating them in more robust manner with the mainstream. The company started its effective functioning from 22nd Sept. 2014 with first appointment taking place.

The company has been entrusted with the task of developing and improving road connectivity of an approximate aggregate length of 10,000 km including the international trade corridor in the North East, and 500 km of roads in the North Bengal and North Eastern region of India to enable efficient and safe transport regionally with other South Asia Sub-regional Economic Cooperation (SASEC) member countries & promote cross border trade and commerce besides helping safeguard India's international borders.

The company envisages creating customized and specialized skills for addressing issues like complexities of geographical terrain and addressing extensive coordination requirements with security agencies. The company would endeavor to undertake infrastructure projects including but not restricted to urban infrastructure and urban or city transport and thereby to act as an agency for development of all types of Infrastructure. The company envisages working towards cross sharing of technical know-how and enhancing opportunities for business development with other nations and their agencies including the multilateral organizations and institutions.

Vision, Mission, Core Strategies and Values

Vision

The company has set a Vision to become an instrument for creation and management of infrastructure of the highest standard in the country while contributing significantly towards nation building.

Mission

The company has a Mission to be a professional company which works in most efficient and transparent manner and designs, develops & delivers infrastructure projects in a time bound manner for maximizing benefits to all stakeholders.

Core Strategies

NHIDCL has identified seven key strategies to follow in order to become a fortune five hundred company one day. First, it is using e-Tools like e-Office, e-Tendering, e-Monitoring, e-Access for efficiency & transparency. Second, the company is revisiting various procedures and processes followed today to enhance the ease in doing infrastructure business. Third, NHIDCL is engaging itself in continuous capacity building of staff and stakeholders including contractors to keep pace with the latest developments. The capacity development of local contractors and engineers in North Eastern Region and Strategic Areas will help them become active partners in construction of Highways and other infrastructure and thereby leading to inclusive development of these areas. The endeavor of the company, as fourth strategy, is to facilitate use of new but appropriate technology in materials, designs and works for enhancement in quality, durability, execution speed, cost reduction, safety standards and to address environmental concerns. As fifth strategy, NHIDCL will create a platform to create scientific and innovative temper by involving Experts and Leading Research Institutions for exchange of ideas and becoming a leader in the industry. The commitment of NHIDCL remains to provide speedy Dispute Resolution Mechanism to avoid unnecessary litigations as sixth strategy. And lastly, hold regular consultations with stakeholders in order to create one vision one mission as seventh strategic move.

Core Value

The company is inculcating the value of sharing, to economise on costs. All technical resources and equipments are placed in a common pool.

Background

The National Highways & Infrastructure Development Corporation Limited (NHIDCL) under the Ministry of Road Transport and Highways, Govt. of India was incorporated on 18th July, 2014 with an objective to fast pace construction of National Highways and other infrastructure in the North Eastern Region and Strategic Areas of the country sharing international boundaries.

Within a short span, NHIDCL has established itself and set up its Corporate office, on 3rd Floor in PTI Building, Parliament Street, New Delhi - 110001. It has also established branch offices in as many as four states by March 2015. At present NHIDCL has already been entrusted with 110 projects worth Rs. 50,000 crore approximately.

Overall Economy and Road Sector

The present Government's thrust on building robust Road network & infrastructure coupled with special focus on development of North Eastern Region, strategic and backward areas, presents a unique opportunity for NHIDCL to lead the Government's initiative and achieve growth and scale. During the first year of inception itself, NHIDCL has entered into agreement for implementing 18 road construction projects covering approximately 600 Km of length at an estimated cost of Rs. 8450 crore.

Various Initiatives of NHIDCL

In the very first year, NHIDCL has made efforts to use IT and other modern technologies in its day to day operations. These include setting up "e-office - completely paperless office", "e-access – for placing NHIDCL's executive orders in public domain", "e-PACE - using information technology for real time monitoring of the projects" and "INAM-PRO – a platform for infrastructure & material providers".

Future Prospects

NHIDCL plans to award atleast 16 projects covering 600 Km of road length at an approximate cost of Rs.10,000 crore during the year 2015-16.

Acknowledgments

I express my sincere gratitude for whole hearted support and able guidance provided to the company by its Board Members, various Ministries and Departments of the Govt. of India. I am also thankful to all stakeholders for their continued support. I also appreciate the efforts and contribution of all employees of the company.

> -/-(Vijay Chhibber) Chairman

The National Highways & Infrastructure Development Corporation Limited (NHIDCL) has been entrusted with the task to develop a network of National Highways and other Infrastructure in North Eastern region and strategic areas to help India achieve faster economic growth with sustainable development.

We at NHIDCL understand the enormity of the task assigned to us. We are fully geared to accept the challenge and achieve our targets. Teamwork, efficiency, transparency and technology will help to accomplish our goals.

It has just been a year since our inception. Our corporate office is fully functional, branch offices have been set up and work on many projects has started in full swing.

NHIDCL has identified seven key strategies to follow in order to become a fortune five hundred company one day. First, it is using e-Tools like e-Office, e-Tendering, e-Monitoring, e-Access for efficiency & transparency. > -/Sd (Vijay Chhibber) Chairman

Ministry of Road Transport and Highways, Government of India had decided to establish National Highways and Infrastructure Development Corporation Limited, with a view to fast track construction and upgradation of Highways and Infrastructure in the North-Eastern Region of our country.

The development of quality Infrastructure in the North-Eastern Region would go a long way in improving India's International Trade with its neighbours and also help in furthering our country's strategic interests.

NHIDCL in its first year of operations has established itself as a major player in the Infrastructure sector in our country. Besides setting up its corporate office and various Branch offices, the company is also actively engaged in implementing various projects on ground. With more than a 100 projects with an outlay of Rs 50,000 crores in its order book, NHIDCL would need to remain in top gear and support from all quarters to achieve its targets.

NHIDCL envisages to become an e-Company with initiatives like INAM-PRO, e-PACE and INFRACON. NHIDCL was also become a leader in implementing "eoffice" with electronic files from "Start to Finish" and by placing all its executive orders on "e-Access" to transparently bring its operations in public domain.

I would like to convey my deep gratitude to all my colleagues on the Board and in the company for their unconditional corporation and support, without which such a performance would not have been possible.

Finally, we thank each and every shareholder of NHIDCL for the unwavering confidence shown in our competence and ability in maximizing returns to all stakeholders.

Thank You.

Information and facts to enable members to understand the meaning, scope and implications of the item

NHIDCL was incorporated on 18th July, 2014 under Companies Act, 2013. Under the new Act, various exemptions available to Government Companies under the old Act, were not available. Article of Association of NHIDCL was drafted in accordance with the provisions as applicable at the time of incorporation. Now Ministry of Corporate Affairs has notified various exemptions to Government Companies with effect from 5th June, 2015. It is, therefore proposed to alter some of the Articles to avail the benefit of exemptions. Article 42A is proposed to be inserted to provide for a simple transfer mechanism for transfer of securities held by one Government nominee to another. Article 86 is proposed to be altered to do away with the requirement of retirement of Directors at every AGM.

Section 13 of Companies Act, 2013 provides that alteration of Articles requires approval of members by passing Special Resolution. Hence the resolution is proposed at item no.3 of the Notice.

The proposed Resolution seeks the approval of members for the alteration of Articles to avail the benefits of exemption granted to Government Companies.

ANNEXURE-IV

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To, The Members National Highways & Infrastructure Development Corporation Limited Room No.509, Transport Bhavan 1, Parliament Street, New Delhi

We have examined the compliance of Corporate Governance by NATIONAL HIGHWAYS & INFRASTRUCTURE DEVELOPMENT CORPORATION LIMITED ("the Company") for the year ended 31st March, 2015, as stipulated in the Guidelines on Corporate Governance for Central Public Sector Enterprises issued by the Department of Public Enterprises, Government of India.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanation given to us, we certify that, this being the first year of operations since incorporation, the Company has broadly complied with the conditions of Corporate Governance as stipulated in DPE Guidelines. We have also been informed that detailed action plan for compliance has been drawn.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

1. SIGNIFICANT ACCOUNTING POLICIES FOR THE PERIOD ENDED 31ST MARCH, 2015

(i) CORPORATE INFORMATION

National Highways & Infrastructure Development Corporation Limited ("the Company") was incorporated in India on 18th July, 2014. The Company has a paid up capital of 50,000 equity shares of Rs. 10/- each fully paid up. It is engaged in carrying out the business of promoting , developing , building either alone or jointly with other companies national highways , strategic roads , pathways , expressways etc. in various parts of the country. It also acts as focal agent for development of the national highways or strategic roads on sustainable basis in various parts of the country.

(ii) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with the generally accepted accounting principles in India. The company has prepared these financial statements to comply in all respects with the Accounting Standards notified under the Companies Act , 2013 . These financial statements are based on historical cost convention. In preparing these financial statements, accrual basis of accounting has been followed, unless otherwise stated.

(iii) USE OF ESTIMATES

Preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the accrual results and estimates are recognized in the period in which the results are known/ materialized.

(iv) GOING CONCERN

The accounts of the Company have been prepared on the basis that the Company is a going concern.

(v) FIXED ASSETS

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost of acquisition includes freight, duties, taxes and incidental expenses attributable to bringing the same to their working condition.

(vi) DEPRECIATION

Depreciation on Fixed Assets is provided pro rata to the period of use , at the rates calculated on the basis of useful life of the asset as per part 'C' of schedule II of the Companies Act , 2013 on Written Down Value (WDV) . Depreciation on second hand assets acquired from Press Trust of India Limited has been calculated according to the rates calculated using the remaining useful life as certified by the expert (certified valuer).

(vii) PROVISION FOR CURRENT AND DEFFERED TAX

Current income tax is determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax expense or benefit is recognized on timing differences; being the difference between taxable incomes and accounting income that originate in one period and

36

are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted as on the In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only to extent that there is virtual certainty that sufficient future taxable income will be available to realize these assets.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction.

(viii) EARNING PER SHARE

The company reports basic earnings per share (EPS) in accordance with Accounting Standard-20. The basic EPS has been computed by dividing the income available to equity shareholders by the weighted-average number of equity shares outstanding during the accounting period.

(ix) IMPAIRMENT OF ASSETS

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flow is discounted to their present value based on an appropriate discount factor.

(x) LEASES

Leases where the lesser effectively retains substantially all the risk and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term.

(xi) PROVISIONS

Provision is recognized when an enterprise has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimate.

(xii) CONTINGENT LIABILITY

Contingent liabilities are determined on the basis of available information and are disclosed by way of Notes to Accounts

Independent Auditor's Report

To The Members of

NATIONAL HIGHWAYS & INFRASTRUCTURE DEVELOPMENT CORPORATION LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of NATIONAL HIGHWAYS & INFRASTRUCTURE DEVELOPMENT CORPORATION LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a

45

basis for our audit opinion on the standalone financial statements.

Important Events during 2014-15

Launch of NHIDCL's Logo Vision, Mission, Website, eBook, eAccess and release of First Tender

On 28th January, 2015 Sh. Nitin Gadkari, Hon'ble Union Minister for Road Transport, Highways and Shipping, launched the LOGO, VISION & MISSION statements, E-Book, E-Access programs of National Highways and Infrastucture Development Corporation Ltd. (NHIDCL)

On the occasion he also released the Company's first tender pertaining to two laning (with paved shoulders) of Akajan-Likabali-Bame Road in Arunachal Pradesh at an estimated cost of Rs. 272 crore.

The function was attended by Sh. Vijay Chhibber, Secretary, Ministry of Road Transport and Highways, and ex-officio Chairman, NHIDCL, Sh. Anand Kumar, Manging Director, NHIDCL and Sh. Sanjay Jaju, Director (A&F), NHIDCL.

Launch of INAM- PRO

On10th March, 2015 Sh. Nitin Gadkari, Hon'ble Union Minister for Road Transport, Highways and Shipping, launched a new web portal called INAM- PRO constructed by NHIDCL as a market place for Cement and other Material. INAM- PRO is aimed at reducing

the cost of construction by providing Cement and Materials at low cost. At INAM- PRO sellers and buyers can track on real time basis order placed and quantity lifted. Commenting on the application, Mr. Nitin Gadkari said that the portal is an extra ordinary initiative which will not only bring down the cost of inputs for the infrastructure but is also a win win situation for all the people involved.

Future Prospects and Status of Projects

STATUS AS ON 15.09.2015

As of 15th September, 2015, NHIDCL has been entrusted with 108 projects, inter alia, for construction of roads, bridges, tunnels, slope protection and creation of other infrastructure.
