## **A. GENERAL**

### **1. Scope of Bid**

**1.1** The Employer (as defined in the Appendix to ITB) invites Single Percentage Rate bids through the process of e-tendering for works as described in these documents and referred to as “the Works”. The name and identification number of the Works is as defined in the **Appendix** to ITB.

**1.2** The successful Bidder will be expected to complete the Works by the intended Completion Date specified in the Contract Data.

**1.3** Throughout these Bidding Documents, the terms “bid” and “tender” and their derivatives (bidder/tenderer, bid/tender, bidding/tendering, etc.) are synonymous.

### **2. Source of Funds**

**2.1** The expenditure under this contract will be met by NHIDCL.

### **3. Eligible Bidders**

**3.1** This Invitation for Bids is open to all bidders meeting the qualification requirements prescribed in **Clause 4** of ITB.

**3.2** Any entity which has been black listed or barred by the Central or any State Government or any public sector undertaking, autonomous body or any authority under the Central or State Government, from participating in any project, and the bar subsists as on the date of Application shall not be eligible to submit the bid.

### **4. Qualification of the Bidder**

**4.1** All bidders shall furnish the following information and documents with their Bids in **Section-3**, Qualification Information, unless otherwise stated in the **Appendix** to ITB.

a) Scanned copies of original documents defining the constitution or legal status, place of registration, and principal place of business; scanned copy of written power of attorney of the signatory of the Bid to commit the Bidder; and original copy of Written Power of Attorney to be submitted in the envelope of physical form (refer **Clause 12.2** of ITB).

b) Scanned copy of total monetary value of civil engineering construction and maintenance works performed for each of the last three years.

c) Scanned copy of experience certificate in works of a similar nature and size for each of the last five years with certificates from the concerned officer of the rank of Executive Engineer or equivalent or higher.

d) Scanned copy of evidence of availability (either owned or leased or rented) of items of construction and maintenance equipment named in **Clause 4.3B (b) (i)**.

e) Scanned copy of details of the technical personnel proposed to be employed for the Contract having the qualifications defined in **Clause 4.3B (b)(ii)**.

f) Scanned copy of reports on the financial standing of the Bidder, and a certificate from Chartered Accountant as a proof of turnover for the last three years.

g) Scanned copy of information regarding any litigation or arbitration during the last five years in which the Bidder is involved, the parties concerned, the disputed amount, and the present status.

h) Undertaking that the bidder is not affiliated to the firm or entity that has been hired or employed by the Employer for preparation of bid documents or to supervise the contract.

i) Scanned undertaking that the bidder will be able to invest minimum cash up to 25 % of contract value of work, during implementation of work

j) A Bidder is required to submit, along with its technical BID, a self-certification that the item offered meets the local content requirement for 'Class-I local Supplier'/'Class-II local Supplier', as the case may be. The self-certification shall also have details of the locations(s) at which the local value addition is made. In case, bidder has not submitted the aforesaid certification, the bidder will be treated as 'Non-local Supplier'

k) In the above pretext, the Class-I local Supplier, Class-II local Supplier and the Non-local Supplier are defined as under:

i) 'Class-I local Supplier' means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for 'Class-I local Supplier' under this RFP. The 'local content' requirement to categorize a supplier as 'Class-I local Supplier' is minimum 50%.

ii) 'Class-II local Supplier' means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for 'Class-II local Supplier' under this RFP. The 'local content' requirement to categorize a supplier as 'Class-II local Supplier' is minimum 20%.

iii) 'Non-local Supplier' means a supplier or service provider, whose goods, services or works offered for procurement, has local content less than that prescribed for 'Class-II local Supplier' under this RFP.

iv) 'Local content' means the amount of value added in India which shall be the total value of item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

In case of procurement for a value in excess of Rs. 10 crores, the 'Class-I local Supplier'/'Class-II local Supplier' shall provide a certificate from the statutory auditor or cost auditor of the company (in case of companies) or from a practicing-chartered

accountant (in respect of suppliers other than companies) giving the percentage of local content.

**4.2** Bids from joint ventures/consortiums are not allowed.

**4.3 A** To qualify for award of the contract, each bidder in its name should have the following: -

**a)** Achieved a minimum average annual financial turnover (in all classes of civil engineering construction and maintenance works only) equal to the amount indicated in NIT during last three years ending 31<sup>st</sup> March of the previous financial year duly certified by Chartered Accountant.

**b) satisfactorily completed (not less than 90% of contract value),** as a prime contractor or as a partner of JV for similar works during last five years ending last day of month previous to the one in which bids are invited, either of the following:

i. Three similar completed works costing not less than amount equal to **Rs. 228.08 Lac each.**

ii. Two similar completed works costing not less than amount equal to **Rs. 159.65 lac each.**

iii. one similar completed work costing not less than amount equal to **Rs. 114.04 Lac.**

iv. The similar work constitutes construction/maintenance of roads

The following escalation factors shall be used to bring the value of such completed works to the Level of current financial year:

<u>Year Before</u>	<u>Multiplying Factor</u>
2024-25.....	1.1
2023-24 .....	1.21
2022-23 .....	1.33
2021-22 .....	1.46
2020-21 .....	1.61

b1) In the above pretext, the Class-I local Supplier, Class-II local Supplier and the Non local Supplier are defined as under:

i) 'Class-I local Supplier' means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for 'Class-I local Supplier' under this RFP. The 'local content' requirement to categorize a supplier as 'Class-I local Supplier' is minimum 50%.

ii) 'Class-II local Supplier' means a supplier or service provider, whose goods, services or works offered for procurement, meets the minimum local content as prescribed for 'Class-II local Supplier' under this RFP. The 'local content' requirement to categorize a supplier as 'Class-II local Supplier' is minimum 20%.

iii) 'Non-local Supplier' means a supplier or service provider, whose goods, services or works offered for procurement, has local content less than that prescribed for 'Class-II local Supplier' under this RFP.

iv) 'Local content' means the amount of value added in India which shall be the total value of item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

In case of procurement for a value in excess of Rs. 10 crores, the 'Class-I local Supplier'/'Class-II local Supplier' shall provide a certificate from the statutory auditor or cost auditor of the company (in case of companies) or from a practicing, chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.

**4.3 B (a) Each bidder must upload the scanned copies of following documents along with the submission of online bid:**

i) An affidavit on a Stamp Paper, duly attested from the Notary Public, that the Information furnished with the bid documents is correct in all respects; and

ii) Such other certificates as defined in **Section-3**.

Failure to submit the certificates/ documents as specified above shall make the bid non-responsive.

**(b) Each bidder must demonstrate for this work:**

i) Evidence of availability (either owned or leased or rented) of the key equipment for this work as stated in the **Appendix** to ITB.

ii) Availability of personnel with qualification and experience as stated in the **Appendix** to ITB.

**c) For determining the eligibility of Bidder from a country which shares a land border with India, the following shall apply:**

(i) Any Bidder from a country which shares a land border with India will be eligible to bid, only if the Bidder is registered with the Competent Authority, specified in Annexure-I of Order (Public Procurement No. 1) issued by Ministry of Finance, Department of Expenditure Public Procurement Division vide F. No. 6/18/2019-PPD, dated 23<sup>rd</sup> July, 2020, which shall form an integral part of RFP and DCA (copy enclosed).

(ii) "Bidder from a country which shares a land border with India" means:

a) An entity incorporated, established or registered in such a country; or

b) A subsidiary of an entity incorporated, established or registered in such a country; or

c) An entity substantially controlled through entities incorporated, established or registered in such a country; or

- d) An entity whose beneficial owner is situated in such a country; or
- e) An Indian (or other) agent of such an entity; or
- f) A natural person who is a citizen of such a country; or
- g) A Consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

(iii) Beneficial owner for the purpose of (ii) above means:

1. In case of a company or Limited Liability Partnership, the beneficial owner is a natural person(s), who, whether acting alone or together, or through one or more judicial persons, has a controlling ownership interest or who exercises control through other means

Explanation:

- a) "Controlling ownership interest" means ownership of or entitlement to more than twenty-five percent of share or capital or profits of the company. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholding agreement or voting agreement;
2. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more judicial persons, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who whether acting alone or together, or through one or more judicial persons, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individual;
4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

(iv) An Agent is a person employed to do any act for another, or to represent another in dealing with third person.

(v) The Selected Bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. The definition of “contractor from a country which shares a land border with India” shall be as in Clause (d) (ii) above.

**Certificate regarding Compliance:**

A certificate on the letterhead of the Bidder shall be required to be submitted by the bidders certifying the following:

“I have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India and on sub-contracting to contractors from such countries; I certify that this bidder is not from a country or, if from such a country, has been registered with the Competent Authority as denied in Public Procurement Order No.

F. No. 6/18/2019-PPD, dated 23rd July 2020, I hereby certify that this bidder fulfils all requirements in this regard and is eligible to be considered.”

It may be noted that in case the above certification is found to be false, this would be a ground for immediate rejection of Bid/termination and further legal action in accordance with law.

**Validity of Registration:**

In respect of RFP, registration should be valid at the time of submission of bids and at the time of acceptance of bids. If the Bidder was validly registered at the time of acceptance, registration shall not be a relevant consideration during contract execution

vi) Self-certification the by Bidder that its Bid meets the Local Content requirement for ‘Class-I local Supplier’/‘Class-II local Supplier’, as the case may be. The Self- certification shall also have details of the location(s) at which the local value addition is made. In case, bidder do not submit the aforesaid Certification, the bidder will be summarily treated as ‘Non local supplier’.

In case of procurement for a value in excess of Rs. 10 crores, the ‘Class-I local Supplier’/ ‘Class-II local Supplier’ shall have to provide a Certificate from the Statutory Auditor or Cost Auditor of the Company (in case of Companies) or from a practicing Cost Accountant or practicing Chartered Accountant (in respect of Suppliers other than Companies) giving the percentage of Local Content upon construction of the Project.

**4.4** Bidders who meet the minimum qualification criteria will be qualified only if their available bid capacity is more than the total bid value. The available bid capacity will be calculated as under:

**Available Bid capacity =  $(A \times N \times 2.5 - B)$**

Where,

A = Maximum value of civil engineering works executed in any one year during the last **three** years (escalation factor as specified in this section shall be used to bring the maximum value of civil engineering works to the level of current financial year i.e., **2024-25**) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the works for which bid is invited.

B = Value (escalation factor as specified in this section shall be used to bring the value to the level of current financial year i.e., **2024-25**) of existing commitments and on-going works to be completed during the next **1 year** (period of completion of the works for which bid is invited) and Value of existing commitments, works for which the bidder has emerged as the winner of the bids or ongoing works to be completed during the period of completion of the works for which BID is invited. For the sake of clarification, it is mentioned that works for which bidder has emerged as the winner of the bids but LOA has not been issued as on the day before opening the financial bids shall also be considered while calculating value of B

Note:

The Statement showing the value of all existing commitments, works for which the contractor has emerged as the winner of the bid as given by bidder and ongoing works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Client or its Engineer-in-Charge not below the rank of Executive Engineer or equivalent in respect of EPC/M&R Projects or Concessionaire/Authorized Signatory or SPV in respect of BOT Projects and verified by Statutory Auditor.

The amount of bonus received, if any, in EPC/M&R Projects should be countersigned by the Client or its Engineer-in-Charge not below the rank of Executive Engineer or equivalent in respect of EPC/M&R Projects.

4.4.1 The Bid capacity status of the bidder to be updated as on the day before opening the financial bids.

**4.5** Even though the bidders meet the above qualifying criteria, they are subject to be Disqualified if they have:

i) made misleading or false representations in the forms, statements, affidavits and attachments submitted in proof of the qualification requirements; and/or

ii) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc. or debarring from work etc.

iii) Tampered the bid document in any manner

**5. One Bid per Bidder**

**5.1** Each Bidder shall submit only one Bid for the Works. A Bidder who submits more than One Bid will cause such bids to be disqualified.

**6. Cost of Bidding**

**6.1** The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will, in no case, be responsible or liable for those costs.

**7. Site Visit**

**7.1** The Bidder, at his own cost, responsibility, and risk, is encouraged to visit, examine and familiarize himself with the Site of Works and its surroundings including source of earth, water, road aggregates, availability of labour etc. and obtain all information that may be necessary for preparing the Bid and entering into a contract for undertaking the maintenance Works. The costs of visiting the site shall be at the Bidder's own expense. For this purpose, he may contact the person whose contact details are given in the **Appendix** to ITB.

## **E. BID OPENING, CLARIFICATION OF BIDS AND EVALUATION**

### **23. Bid Opening, Clarification of Bids and Evaluation**

**23.1** Bid opening shall be carried out in two stages. Firstly, Part-I 'Technical Bid' of all the Bidders received (except those received late) shall be opened on the date and time mentioned in Notice Inviting Tender (NIT). Part-II' Financial Bid' of those bidders whose technical bid has been determined to be substantially responsive shall be opened on a subsequent date through online process of e-tendering, which will be notified to such bidders.

The Employer will open the "Technical Bid" of all the Bids received (except those received late), in the presence of the Bidders/ Bidders' representatives who choose to attend at the time, date and place specified in the NIT. In the event of the specified date for the submission of bids being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

**23.2** In all cases, the amount of Earnest Money, forms and validity shall be announced. Thereafter, the Employer at the opening as the Employer may consider appropriate, will announce the Bidders' names and such other details.

**23.3** The Employer will prepare minutes of the Bid opening, including the information disclosed to those present in accordance with this **Clause23**.

**23.4** The bids accompanied with valid bid security & bid document fee will be taken up for evaluation with respect to the Qualification Information and other information furnished in Part I of the bid pursuant to **Clause12.1**.

As soon as possible, the Evaluation Committee will finalize the list of responsive bidders whose financial bids are eligible for consideration. However, to assist in the examination, evaluation of technical bids, the Employer may at his discretion, ask any bidder for clarification of his bid, however, no additional documents in support of clarification will be entertained.

**23.5** The Employer shall inform the bidders about the result of technical evaluation by uploading on the web portal giving 7 days' time for objections, if any, from the bidders. The Employer shall finalize the evaluation of technical bids after due consideration of objections received and intimate the bidders, whose Technical Bids are found responsive, of the date, time and place of opening of the Financial Bids. The Bidders so informed, or their representative, may attend the event of opening of Financial Bids.

**23.6** At the time of the opening of the 'Financial Bid', the names of the bidders whose bids were found responsive in accordance with **Clause 23.5** will be announced. The financial bids of only these bidders will be opened. The responsive bidders' names, the Bid prices, the total amount of each bid, pursuant to **Clause 22** and such other details as the Employer may consider appropriate will be announced by the Employer at the time of bid opening.

**23.7** Subject to the provisions of Clause 23.5, the Bidder whose BID is adjudged as responsive as per conditions mentioned in this RFP, the bidder shall be declared as the selected Bidder (the "Selected Bidder") in pursuance to the procedure defined hereunder:

(i) Among all the responsive bidder, the lowest bidder will be termed as L1. If L1 is 'Class-I local Supplier', the contract will be awarded to L1.

(ii) If L1 is not 'Class-I local Supplier', the lowest bidder among the 'Class-I local Supplier', will be invited to match L1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract will be awarded to such 'Class-I local Supplier' subject to matching the L1 price.

(iii) In case such lowest eligible 'Class-I local Supplier' fails to match the L1 price, the 'Class-I local Supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the 'Class-I local Supplier' with the margin of purchase preference matches the L1 price, the contract shall be awarded to the L1 bidder.

'Margin of purchase preference' means the maximum extent to which the price quoted by a 'Class-I local Supplier' may be above the L1 for the purpose of purchase preference. The margin of purchase preference shall be 20%.

**23.8** The Employer shall prepare the minutes of the opening of the Financial Bids.

## **24. Process to be Confidential**

**24.1** Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other person not officially concerned with such process until the award to the successful Bidder has been announced. Any attempt by a Bidder to influence the Employer's processing of bids or award decisions may result in the rejection of his Bid

## **25. Contacting the Employer**

**25.1** Any effort by the Bidder to influence the Employer in the Employer's bid evaluation, Bid comparison or contract award decisions may result in the rejection of the Bidders' bid.

## **26. Examination of Bids and Determination of Responsiveness**

**26.1** During the detailed evaluation of "Technical Bids", the Employer will determine whether each Bid

(a) Meets the eligibility criteria defined in **Clauses 3** and **4**; (b) contains the required documents in physical form and the documents uploaded by the bidder are in order; and (c) is substantially responsive to the requirements of the Bidding Documents. During the detailed evaluation of the "Financial Bids", the responsiveness of the Bids will be further determined with respect to the remaining bid conditions, i.e., bill of quantities, Specifications and drawings etc.

## **27. Correction of Errors**

**27.1** Financial Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:

a) Where there is a discrepancy between the rates in figures and words, the rates in Words will govern; and

**27.2** The amount stated in the Financial Bid will be corrected as per **Clause 27.1** and shall be binding upon the Bidder. If the Bidder does not accept the corrected amount, the Bid shall be rejected and the Bid Security shall be forfeited in accordance with **Clause 16.6 (b)**.

## **28. Evaluation and Comparison of Financial Bids**

**28.1** The Employer will evaluate and compare only the bids determined to be substantially responsive in accordance with **Clause 26**.

**28.2** If the Bid of the successful Bidder is seriously unbalanced in relation to the Employer's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. If, after evaluation of the price analyses, the Employer determines that the bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Employer may reject the Bid/Proposal.

**25.2** The Engineer may issue the work order in stages specifying the time limit for the same as and when required except the performance-based maintenance items.

**25.3** An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of progress achieved on the timing of the remaining Works, including any changes to the sequence of activities.

**25.4** The Contractor shall submit to the Engineer for approval an updated Programme at intervals. If the Contractor does not submit an updated Programme within this period, the Engineer may with hold the amount stated in the Contract Data from the next payment certificate and continue to with hold this amount until the next payment after the date on which the overdue Programme has been submitted.

**25.5** The Engineer's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer again at any time. A revised Programme shall show the effect of Variations and Compensation Events.

### **26. Extension of the Intended Completion Date**

**26.1** The Engineer shall extend the Intended Completion Date only after approval of the Employer if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining Works, which would cause the Contractor to incur additional cost.

**26.2** The Engineer, within 14 days of receiving full justification from the Contractor for extension of Intended Completion Date, will refer to the Employer his recommendation. The Employer shall, in not more than 21days from the date of receipt of Engineer's recommendation, communicate to the Engineer the acceptance or otherwise. The Engineer shall convey the decision of the Employer to the Contractor.

**27. Delays Ordered by the Engineer**

**27.1** The Engineer may instruct the Contractor to delay the start or progress of any activity within the Works. Delay/delays totaling more than 30 days will require prior written approval of the Employer.

**28. Management Meetings**

**28.1** The Engineer may require the Contractor to attend a management meeting. The business of a management meeting shall be to review the plans and progress for the Maintenance Works.

**28.2** The Engineer shall record the business of management meetings and provide copies of the record to those attending the meeting. The responsibility of the parties for actions to be taken shall be decided by the Engineer either during the management meeting or after the management meeting and to be intimated in writing to all those who attended the meeting.

### **C. QUALITY CONTROL**

**29. Identifying Defects**

**29.1** The Engineer shall check the Contractor's work and notify the Contractor of any Defects those are found. Such checking shall not affect the Contractor's responsibilities. The Engineer may instruct the Contractor to uncover and test any work that the Engineer considers may have a Defect.

**30. Tests**

**30.1** The Contractor shall setup a field laboratory within period stated in contract data and be solely responsible for:

- a) Carrying out the mandatory tests prescribed in Technical Specifications as per MoRTH specifications of Roads and Bridges and IRC SP 112 and other relevant IRC/IS codes.
- b) For the correctness of test/ procedures, whether preformed in his laboratory or elsewhere.

**30.2** If the Engineer instructs the Contractor to carry out a test not specified in the Specifications to check whether any work has a Defect and the test shows that it does, the Contractor shall pay for the testing charges and for any number of samples. Otherwise, the Employer shall pay for the testing charges.

### **31. Correction of Defects noticed during the Defects Liability Period**

**31.1** The works carried out shall be of very high standard, requiring no major repairs on the road for at least, during defects liability period, after the date of completion of works.

**31.2** If any defects including shrinkage, cracks, and other faults appear in the works within the period specified here under after issue of "Taking over" certificate, the Engineer shall give notice to the Contractor of any defects before the end of the Defects Liability Period. The Defects Liability Period shall be extended for as long as the defects remain to be corrected.

**31.3** Every time notice of a defect is given, the Contractor shall correct the notified defect at his own cost within the length of time specified in the Engineer's notice.

**31.4** The Defects Liability Period is not applicable for works of routine maintenance such as pot holes/ patch repairs/ ruts repairs/ cleaning and clearing, etc. under performance based BOQ item.

However, for other specific items of works (if any), got executed as ordered by Engineer (if any), the Defects Liability Period shall be 36 months, counted from the Date of Completion stated in the Certificate of Completion issued in pursuance of Clause 47

**31.5** If during the Defects Liability Period any defect is found in the design, engineering, materials and workmanship of the Works and Services executed by the Contractor, then the Contractor shall promptly, in consultation and agreement with the Engineer, appropriately remedy such defects at its cost, or repair, replace or otherwise make good (as the Contractor shall, at its discretion, determine) such defects as well as any damage to the Road caused by such defects.

**31.6** The Contractor's obligations under this Clause 31 shall not apply to:

- a) any material that is supplied by the Employer, and normally consumed in maintenance, or have a normal life shorter than the Defects Liability Period stated here in;
- b) any design, Specification or other data, supplied or specified by or on behalf of the Employer or any matter for which the Contractor has disclaimed responsibility here in;

**31.7** The Employer shall offer the Contractor all reasonable opportunity to inspect the defect(s) Noticed, as well as provide all necessary access to the Facilities and the Site to enable him to perform his obligations under this **Clause 31**.

The Contractor may remove from the Site any Plant and Equipment or any part of the Facilities that are defective, if the nature of the defect, and/or any damage to the Facilities caused by the defect, is such that repairs cannot be expeditiously carried out at the Site.

## **32. Uncorrected Defects**

**32.1** If the Contractor fails to correct a Defect, to the satisfaction of the Engineer, within the time specified in the Engineer's notice, the Engineer will assess the cost of having the Defect corrected. The Contractor will pay to the Employer this amount or the Engineer may deduct such amount from any sums due to the Contractor, on correction of the Defect together with **20 percent** additional costs as the damages.

**32.2** In case of any non-compliance/delayed compliance of maintenance standards, the damages/reduction in payment shall be applicable as provided under road Maintenance Standards Part -I.

## **D. COST CONTROL**

### **33. Bill of Quantities**

**33.1** The Bill of Quantities shall contain the description of items, units, rates and amount.

**33.2** The Bill of Quantities is used to calculate the Contract Price. The Contractor is paid for the quantity of the work done at the rates given in the Bill of Quantities with accepted/ awarded tender premium for each item for the work executed.

The accepted/ awarded tender premium above/ below the grand total of Project cost as per BOQ shall be applicable for individual item of work to determine payable amount to Contractor subject to contractual provisions.

The contract is not subject to Price adjustment/escalation and Price adjustment/escalation is not allowed.

### **34. Changes in the Quantities**

**34.1** The final quantity of the work done may differ from the quantity given in the Bill of Quantities. The payment shall be made for the quantities executed. Provided that the items for which lump sum rates have been quoted shall not be measured and the payments for such items not exceeding the quoted lump sum amount shall be made to the Contractor subject to meeting the specified maintenance requirements by the Contractor in accordance with the Agreement. It is agreed, beyond doubt, by the Contractor that no claims shall be entertained by the Engineer/ Employer on account of reduction to any extent, due to budgetary constraints, in quantities of measurable items.

### **35. Variations**

**35.1** The Engineer may order Variations, with the prior approval of the Employer, he considers necessary or advisable during the progress of the Works. Such Variations shall form part of the Contract and the Contractor shall execute the

varied works. Oral orders of the Engineer for Variations, unless followed by written confirmation, shall not be taken into account.

**36. Payments for Variations**

**36.1** If rates for Variation items are specified in the Bill of Quantities, the Contractor shall carryout such work at the same rate.

**36.2** If the rates for Variation are not specified in the Bill of Quantities, the Engineer shall derive the rate from similar items in the Bill of Quantities.

**36.3** If the rate for Variation item cannot be determined in the manner specified in **Clause 36.1** or **36.2**, the Contractor shall, within 14 days of the issue of order of Variation work, inform the Engineer the rate which he proposes to claim, supported by analysis of the rates. The Engineer shall assess the quotation and determine the rate based on prevailing market rates within one month of the submission of the claim by the Contractor and approval from the Employer shall be taken. As far as possible, the rate analysis shall be based on the Standard Data Book and the current Schedule of Rates of the district public works division. The decision of the Employer on the rate so determined shall be final and binding on the Contractor.

**37. Cash Flow Forecasts**

**37.1** When the Programme is updated, the Contractor shall provide the Engineer with an updated cash flow forecast.

**38. Payment Certificates**

**38.1** The Contractor shall submit to the Engineer monthly statements of the value of the work executed less the cumulative amount certified previously, supported with detailed measurement of the items of work executed.

**38.2** The Engineer shall check the Contractor's monthly statement within 14 days and certify the amount to be paid to the Contractor or after taking in to account any credit or debit for the month in question.

**38.3** The value of work executed shall be determined, based on measurements by the Engineer.

**38.4** The value of work executed shall comprise the value of the quantities of the items in the Bill of Quantities completed.

**38.5** The value of work executed shall also include the valuation of Variations and Compensation Events.

**38.6** The Engineer/ Employer may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of latest information.

**38.7** The final bill shall be submitted by the Contractor within one month of the actual date of completion of the work; otherwise the Engineer's certificate of the measurement and of the total amount payable for work accordingly shall be final and payment made accordingly within a period of sixty days as far as possible.

### **39. Payments**

**39.1** Payments shall be adjusted for deductions for advance payments, security deposit, other recoveries in terms of the Contract and taxes at source, as applicable under the law. The Employer shall pay the Contract or the amounts the Engineer had certified, within 28 days of the date of each certificate.

**39.2** The authorized representative of the Employer shall make the payment certified by the Engineer.

**39.3** Items of the Works for which no rate or price has been entered in the Bill of Quantities, will not be paid for by the Employer and shall be deemed to be covered by other rates and prices in the Contract.

### **40. Compensation Events**

**40.1** The following shall be Compensation Event unless they are caused by the Contractor:

- a) The Engineer orders a delay or delays exceeding a total of 30 days;
- b) The effects on the Contract or of any of the Employer's Risks.

**40.2** If a Compensation Event would prevent the Works being completed before the Intended Completion Date, the Intended Completion Date shall be extended. The Engineer shall decide whether and by how much the Intended Completion Date shall be extended after approval of the Employer.

**40.3** The Contractor shall not be entitled to compensation to the extent that the Employer's interests are adversely affected by the Contractor not having given early warning or not having cooperated with the Engineer/ Employer.

### **41. Taxes and Currencies for Payments**

**41.1** The rates quoted by the Contractor shall be deemed to be inclusive of the GST and other levies, duties, royalties, cess, toll, and other taxes of Central and State Governments, local bodies and authorities that the Contractor will have to pay for the performance of this Contract. The Employer will perform such duties in regard to the deduction of such taxes at source as per applicable law. The GST shall be reimbursed (if applicable) subject to production of proof of such payment by the contractor (proof should contain name of work).

**41.2** All payments shall be made in Indian Rupees.

### **42. Security Deposit/ Retention Money**

**42.1** The Employer shall retain security deposit of 5% (Five percent) of the amount from each payment due to the Contractor until Completion of the whole of the Works.

**42.2** The security deposit/retention money and the performance security will be released to the Contractor when the Defects Liability Period is over, and the Engineer has certified that the Defects, if any, notified by the Engineer to the Contractor before the end of this period have been corrected.

**42.3** If the Contractor so desires, then the Security Deposit/ retention money can be released on submission of unconditional Bank Guarantee at the following two stages:-

- a) At a point after the progress of work in financial term (gross value of work done) has reached 50% of the contract amount
- b) After the retention money has been deducted to the full value (5% of the contract amount).

### **43. Liquidated Damages**

**43.1** The Contractor shall pay liquidated damages to the Employer at the rate or part there of stated in the Contract Data for each day that the Completion Date is later than the Intended Completion Date. The total amount of liquidated damages shall not exceed the amount defined in the Contract Data. The Employer may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages shall not affect the Contractor's other liabilities.

Both the parties expressly agree that the liquidated damages payable by the Contractor are mutually agreed genuine pre-estimated loss and without any proof of actual damages likely to be suffered and incurred by the Employer and the Employer is entitled to receive the same and are not by way of penalty.

**43.2** If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer shall correct any over payment of liquidated damages by the Contractor by adjusting in the next payment certificate. The contractor shall not be paid interest on the over payment of liquidated damages.

### **44. Advance Payment**

**44.1** The Employer will make an interest-bearing advance payment to the Contractor against provision by the Contractor of an Unconditional Bank Guarantee in a form and by a bank acceptable to the Employer in amounts equal to the advance payment up to 10% of Contract Price. The guarantee shall remain effective until the advance payment has been repaid, but the amount of the guarantee shall be progressively reduced by the amounts repaid by the Contractor. The Contractor shall take the above advance before 2<sup>nd</sup> running bill and if the contractor delays seeking the advance, the same is not payable.

**44.2** The Contractor is to use the advance payment only to pay for Equipment, plant and Mobilization expenses required specifically for execution of the Works. The Contractor shall demonstrate that the advance payment has been used in this way by supplying copies of invoices or other documents to the Engineer.

**44.3** The advance payment shall be repaid with interest @ SBI PLR applicable on the date of release of mobilization advance, by deducting from payments otherwise due to the Contractor. The mobilisation advance will be recovered from third running bill upto 8<sup>th</sup> running bill in six equal instalments and the interest will be recovered from 9<sup>th</sup> bill. In any case, the mobilisation advance with interest must be recovered within ten months from the date of agreement. No account shall be

taken of the advance payment or its repayment in assessing valuations of work done, Variations, Compensation Events, or Liquidated Damages.

#### **45. Performance Security**

**45.1** Subject to further condition in Contract Data, the Performance Security equal to **three percent of** the Contract Price shall be provided to the Employer no later than the date specified in the Letter of Acceptance and shall be issued in the form given in the Contract Data and by a prescribed bank. The Performance Security shall be valid until a date 60 days after the expiry of Defects Liability Period. The validity shall account for additional 3 months' time to account for BG verification, signing of contract and start date

#### **46. Cost of Repairs**

**46.1** Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Liability Period shall be remedied/ rectified by the Contractor at his cost if the loss or damage arises from the Contractor's acts or omissions.

### **E. FINISHING THE CONTRACT**

#### **47. Completion**

**47.1** The Contractor shall request the Engineer to issue a certificate of Completion of the Works, and the Engineer will do so upon deciding that the Works are completed.

#### **48. Taking Over**

**48.1** The Employer shall take over the Site and the Works within seven days of the Engineer's issuing a certificate of Completion.

#### **49. Final Account**

**49.1** The Contractor shall supply to the Engineer with a detailed account of the total amount that the Contractor considers payable under the Contract before the end of the Defects Liability Period. The Engineer shall issue a Defects Liability Certificate and certify any final payment that is due to the Contractor within 28 days of receiving the Contractor's account if it is correct and complete. If it is not, the Engineer shall issue within 28days a schedule that states the scope of the corrections or additions that are necessary. If the Final Account is still unsatisfactory after it has been resubmitted, the Engineer shall decide on the amount payable to the Contractor and issue a payment certificate within 28days of receiving the Contractor's revised account.

#### **50. Operation and Maintenance Manual**

**50.1** If "as built" Drawings and/ or operation and maintenance manuals are required relating to construction work carried out, the Contractor shall supply them within 28days from the date of issue of certificate of completion.

**50.2** If the Contractor does not supply the Drawings and/ or manuals by the stipulated date or they do not receive the Engineer approval, the Engineer shall withhold the amount equal to Rs.5 lakh from payments due to the Contractor.

## **51. Termination**

**51.1** The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.

**51.2** Fundamental breaches of Contract include, but shall not be limited to, the following:

1. In consideration of you ..., (hereinafter referred to as the “Authority/employer”, which expression shall unless it be repugnant to the subject or context thereof include its, successors and assigns) having agreed to receive the BID of ..... and having its registered office at ..... (hereinafter referred to as the “ Bidder” which expression shall unless it be repugnant to the subject or context thereof include its/their executors, administrators, successors and assigns), for the \_\_\_\_\_ project on STMC basis (hereinafter referred to as “the Project”) pursuant to the RFP document dated ..... issued in respect of the project and other related documents including without limitation the draft Contract Agreement (hereinafter collectively referred to as “Bidding Documents”), we (Name of the Bank\_\_\_\_\_) having our registered office at ..... and one of its branches at .... (hereinafter referred to as the “Bank”), at the request of the bidder, do hereby, irrevocably, unconditionally and without reservation guarantee the due and faithful fulfilment and compliance of the terms and conditions of the bidding Documents (including the RFP Document) by the said bidder and unconditionally and irrevocably undertake to pay forthwith to the Authority an amount of Rs. .... (Rupees..... only) hereinafter referred to as the “ Guarantee”) as our primary obligation without any demur, reservation, recourse, contest or protest and without reference to the Bidder if the Bidder should fail to fulfil or comply with all or any of the terms and conditions contained in the said Bidding Documents.
2. Any such written demand made by the Authority stating that the Bidder is in Default as the due and faithful fulfilment and compliance with the terms and conditions contained in the Bidding Documents shall be final, conclusive and binding on the Bank.
3. We, the Bank, do hereby unconditionally undertake to pay the amounts due and payable under this Guarantee without any demur, reservation, recourse, contest or protest and without any reference to the Bidder or any person and irrespective of whether the claim of the Authority is disputed by the Bidder or not, merely on the first demand from the Authority stating that the amount claimed is due to the Authority by reason of failure of the Bidder to fulfil and comply with the terms and conditions contained in the Bidding Documents including failure of the said bidder to keep its BID open during the BID validity period as set forth in the said Bidding Documents for any reason whatsoever. Any such demand made on the Bank shall be

conclusive as regards amount due and payable by the Bank under this Guarantee. However our liability under this Guarantee shall be restricted to an amount not exceeding Rs..... (Rupees..... only).

4. This Guarantee shall be irrevocable and remain in full force for a period of 180 (one hundred and eighty) days from the BID Due Date inclusive of a claim period of 60 (sixty) days or for such extended period as may be mutually agreed between the Authority and the Bidder, and agreed to by the Bank, and shall continue to be enforceable till all amounts under this Guarantee have been paid.
5. We, the Bank, further agree that the Authority shall be the sole judge to decide as whether the Bidder is in default of due and faithful fulfilment and compliance with the terms and conditions contained in the Bidding Documents, including inter alia, the failure of the Bidder to keep its BID open during the BID validity period set forth in the said Bidding Documents, and the decision of the Authority that the Bidder is in default as aforesaid shall be final and binding on us, notwithstanding any differences between the Authority and the Bidder or any dispute pending before any Court, Tribunal, Arbitrator or any other Authority.
6. The Guarantee shall not be affected by any change in the constitution or winding up of the Bidder or the Bank or any absorption, merger or amalgamation of the Bidder or the Bank with any other person.
7. In order to give full effect to this Guarantee, the Authority shall be entitled to treat the Bank as the principal debtor. The Authority shall have the fullest liberty without affecting in any way the liability of the Bank under this Guarantee from time to time to vary any of the terms and conditions contained in the said Bidding Documents or to extend time of submission of the BIDs or the BID validity period or the period for conveying acceptance of Letter of Award by the Bidder or the period for fulfilment and compliance with all or any of the terms and conditions contained in the said Bidding Documents by the said Bidder or to postpone for any time and from time to time any of the powers exercisable by it against the said Bidder and either to enforce or forbear from enforcing any of the terms or conditions contained in the said Bidding Documents or the securities available to the Authority, and the Bank shall not be released from its liability under these presents by any exercise by the Authority of the liberty with reference to the matters aforesaid or by reason of time being given to the said Bidder or any forbearance, act or omission on the part of the Authority or any indulgence by the Authority to the said Bidder or by any change in the constitution of the Authority or its absorption, merger or amalgamation with any other person or any other matter or thing whatsoever which under the law relating to sureties would but for this provision have the effect of releasing the Bank from its such liability.
8. Any notice by way of request, demand or otherwise hereunder shall be sufficiently given or made if addressed to the Bank and sent by courier or by registered mail to the Bank at the address set forth herein.

9. We undertake to make the payment on receipt of your notice or claim on us addressed to ( Name of bank along with branch address) and delivered at our above branch which shall deemed to have been duly authorised to receive the said notice to claim.
10. It shall not be necessary for the Authority to proceed against the said Bidder before proceeding against the Bank and the guarantee herein contained shall be enforceable against the Bank, notwithstanding any other security which the Authority may have obtained from the said Bidder or any other person and which shall, at the time when proceedings are taken against the Bank hereunder, be outstanding or unrealised.
11. We, the Bank, further undertake not to revoke this Guarantee during its currency except with the previous express consent of the Authority in writing.
12. The Bank, declares that it has power to issue this Guarantee and discharge the obligations contemplated herein, the undersigned is duly authorised and has full power to execute this Guarantee for and behalf of the Bank.
13. For the avoidance of the doubt, the Bank's liability under this Guarantee shall be restricted to Rs. ... crore (Rupees .... crore only). The Bank shall be liable to pay the said amount or any part thereof only if the Authority serves a written claim on the Bank in accordance with paragraph 9 thereof, on or before (....
