

NHIDCL/RO-Siliguri/NH-10/STMC/Ch. 0.00 to 14.00/2025-26 /649

Date :28.02.2026

To,  
All the prospective bidders,

**Name of Work:** Short Term Maintenance work (STMC) from km 0.00 (Sevoke Army Cantonment) to km 14.00 (Sevoke Coronation bridge) including spot improvements on NH-10 (Sevoke-Rangpo section) in the State of West Bengal on Item Rate Basis during the FY 2025-26-Reply to the Pre-Bid Query-Reg.

With reference to the Tender ID: 2026\_NHIDC\_899627\_1 published on CPP portal on 20.02.2026, the following points is hereby clarified: -

Sl. No	Pre-Bid Query	Reply
1	The List of Machinery required is very high and also to inform you the number of machinery required or asked in the RFP is not matching the quantum of works of DBM/ BC (the quantity of DBM/BC is very nominal- pg 108) Hence, we request for amendment for the same. For the work that has been defined as per pg 108, Bill of quantities One roller is sufficient, HMP-40-60 is sufficient and other machines also one each is sufficient. The maximum work is Mastic Asphalt and the work is more of Manual labour Driven then machine driven.	As per RFP
2	As per the Bill of quantities pg no.108 the quantity of Mastic Asphalt 25 mm the quantity specified is 13000 cum which does not justify the length of the Road, the width and the thickness i.e.14 kms, hence we request you to kindly clarify the same.	As per Corrigendum-I
3	The Drawings of the Wall /Gabion Structure/RCC wall, Drains has not been provided for quantity calculation.	As per the site requirement and approval by the Authority.
