This score now has been reduced to 84.30 by applying Appendix B-5 of RFP part and partially. Complete Appendix-B-5 of RFP stated as below:</p> <p><i>"CVs of key personnel having intermittent inputs will be considered only if assignments on hand as on 7 days before due date of proposal including those for which LOA has been received from the Client or for which Consultant has been declared as H1 do not exceed 3 for Senior Contract Specialist and Senior Quantity Surveyor"</i> and also said that "Bold letter portion of Appendix B-5 of RFP was missing when applying in evaluating the technical score by present ETEC Committee. The above appendix clearly mentioned that it is</p>	<p>Representation from Consultant has been examined. In the present bid Highway Design Specialist & Bridge Design Specialist is also having intermittent inputs of 4 months each only hence same has been applied to them also.</p>
