1. Committee Vide minutes of 1st Meeting dated 24.04.2017 has recommended for opening of Financial bids of Technically Responsive Bidders. However Competent Authority decided that Technical Evaluation should be done through INFRACON Portal. Hence the Technical Score of Responsive bidders were not uploaded on Website. Accordingly Technical Evaluation of bidders is under process through INFRACON Portal.

2. The Technical score arrived as per Manual evaluation is as under (As per Annexure-I).

S no	Name of Bidder	Technical Score	Status
1	M/s Highway Engineering Consultant in Association with M/s Manglam Associates.	89.35	Eligible
2	M/s Feedback Infra Pvt Ltd. in Association with M/s A&A Consulting Engineer.	91.27	Eligible

3. Two responsive bidders were asked to extension of bid validity by two months vide this office letter dated 08.08.2017.

4. M/s Feedback Infra Private Limited in Association with M/s A&A Consulting Engineer and M/s Highway Engineering Consultant in association with M/s Manglam Associates have extended the validity of bid for further two months upto 31.10.2017 & 11.10.2017 respectively.

5. It was brought to the notice of Committee that there are some discrepancies observed in Evaluation through INFRACON Portal i.e. Project Start & Completion date, Major Activities, Nature of Assignment, No. of Bridges, No. of Bridges with Pile/Well Foundation, rehabilitation and Repair, modern Technology, 2,4,6 lane for Highway Projects & Arbitration Cases handled in CVs of Key Personnel uploaded on INFRACON Portal for subject Project, hence it was decided to validate the INFRACON Portal of AE with manual evaluation by sorting out each and every issue regarding incomplete information submitted by Key Personnel and the Consultant. Frequent reminders were given to the Consultants telephonically for updating the CVs and the data on INFRACON moved multiple times for identification of the issues and same was sorted out accordingly. Now the INFRACON Portal of AE is updated and the evaluation through INFRACON Portal has been validated.

6. It was also brought to the notice of ETEC Committee that at present INFRACON Portal has evaluation mechanism for 6 Key Personnel which are given in model document of the ministry. Ministry vide letter No RW-NH-34048/7/2013-S&R (B) dated 01.01.2016 directed to include two Key Personnel i.e. Bridge Design Specialist and Highway Design Specialist for the Authority Engineer projects. It is also informed to Committee by member secretary that online evaluation of Bridge Design Specialist can be done on the line of Bridge/Structural Engineer. However online of Highway Design Specialist is not available on the INFRACON. Therefore the CV of Highway Design Specialist is evaluated manually. Secondly online evaluation for Material Engineer is

designed for 95 marks and remaining 5 marks to be evaluated manually. Therefore marking for 5marks has been carried out manually. The Final Technical score obtained after reevaluation through INFRACON Portal as well as manual evaluation of Highway Design Specialist are as under (Complete Evaluation Sheet is at Annexure-I) .

Company Name	Firm's Relevant Experience for the assignment (Max. points 25)	Qualifications and Competence of the Key Staff for the assignment (Max. points 75)	Total (Max. points 100)

Unique Team ID: 2017-36-484_2486 Feedback Infra Private Limited A & A CONSULTING ENGINEER	<u>25.00</u>	<u>54.61</u>	79.61

7. The reasons for variation in the manual evaluated and now evaluated through INFRACON Portal is tabulated below.

Sr. No	Name of Bidder	Technical Score (In 1 st meeting)	Final Technical Score (Through INFRACON)	Remarks
1	M/s Highway Engineering Consultant in Association with M/s Manglam Associates.	89.35	77.23	(i) Mr. A. K. Dixit (Senior Quantity Surveyor) CV is blocked on INFRACON Portal due to having multiple IDs on the INFRACON Portal. Hence his marks are considered as zero. (ii) The uploaded CV of Mr. M P Pathak (Material Engineer) on INFRACON Portal is incomplete despite of giving many chances to the all consultants to update the CVs. Hence secured less score in online evaluation.
2	M/s Feedback Infra Pvt Ltd. in Association with M/s A&A Consulting Engineer.	91.27	79.61	(i) Mr. Bimal Chandra (Senior Quantity Surveyor) has given consent to M/s M/s Yongma Engineering Co. However, finalization of bids will be done after outcome of clarification as sought above.
