4. The representations received were examined and findings are tabulated below.

Sr. No.	Firms Name	Representation	Decision by Committee
1	M/s Highway Engineering Consultant in Association with Agnitio Infrastructure Projects Pvt. Ltd.	Consultant has represented that technical score for the team is about 86.125 marks instead of 82.62 marks.	<p>Representation from Consultant has been examined. As per Data Sheet Clause 5 of RFP Total Marks for Evaluation criteria for assessment of Relevant Experience of the firm is 25. Further 25 marks are divided into four categories</p> <p>(i) 2 marks for year of establishment of the firm for more than 5 years i.e. 1.5marks for upto 5 years & 2 marks for more than 5 years.</p> <p>(ii) 2 marks for Average Annual turnover from last three years i.e. <12.58 cr.=0 marks, 12.58cr.=1.5marks and add additional 0.25 marks for every Turnover of Rs.6.29cr. subject to max 0.5marks.</p> <p>(iii) 16 marks for experience in Construction Supervision/Independent Engineer/Authority's Engineer in Highway Projects of Length equal to 22.95km or more i.e. 12marks for 1 project and add 1 mark extra for each completed project subject to max 16marks.</p> <p>(iv) 5 marks for experience in DPR preparation/Feasibility Study cum Preliminary design report of highway projects of length equal to 22.95km or more. i.e. 4marks for 1 project and add 0.25 mark extra for each completed project subject to max 5marks.</p> <p>Earlier Consultant has got 23.75marks out of 25 marks which comprises of 1 marks for experience in supervision and 0.25 Marks for turnover.</p>

			Now Consultant has claimed 16 marks for Construction Supervision on account of 5 qualifying projects. Earlier only 4 projects were evaluated by INFRACON Portal and 5 th Project i.e. "Project Management Consultancy of four laning of Nagpur to Hyderabad section of NH-7 in the state of Maharashtra." was not evaluated as nature of assignment shown on INFRACON Portal was other works. At the time of representation, Consultant has claimed 24.75 marks out of 25 marks. Hence the projects have been examined during re-evaluation and it is observed that the project is for Construction Supervision which was also verified on INFRACON Portal and found in order accordingly mark on account of Construction Supervision is amended to 16marks and thus total marks amended to 83.62marks. (Annexure-I is attached).
2	M/s L N Malviya Infra Projects Pvt Ltd	Consultant has represented that technical score for the team is about 92.83 marks instead of 91.81 marks.	Representation from Consultant has been examined during re evaluation, it is observed that Consultant has proposed Mr. KARETI SREE RAMAKANTH as a Resident Engineer cum pavement specialist & road safety expert and his CV is blocked on INFRACON Portal. Hence his marks are now (in re-evaluation) considered as zero marks against earlier score of 13.5 marks. This CV was live at the time of evaluation however blocked subsequently which is revealed during the re-evaluation requested by the Consultant. Accordingly Total Technical Score of Consultant is modified as 78.31 marks.
