5	M/s Technical Consultancy Services in association with M/s Magot Engineering Consultants Pvt. Ltd.	Non-Responsive. The firm does not qualify the minimum eligibility requirement of having experience of at least 1 project for preparation of DPR of Slope Stabilization/protection and Scientific treatment for Sinking/sliding zones. Hence, the firm is considered Technically Non-responsive.	01 no. in Union Territory of Ladakh	Non-Eligible for opening of Financial Proposal
---	--	---	-------------------------------------	--

2. TEC opined that the bidders be allowed 03 days time period (upto 30.10.2021) to make representation/query/clarification, if any, on technical evaluation and accordingly the technical result was uploaded on website in accordance to RFP provision.

3. Two (02) bidders have raised queries/clarifications on the technical result evaluated by TEC, which has been deliberated by TEC and summarized below:

Sl. No.	Clarification/representation/query sought by Bidders	Recommendation of TEC
<u>M/s Xplorer Consultancy Services (P) Ltd. (received vide their letter dated 28.10.2021)</u>		
01	With reference to the summary of evaluation of Technical proposal it has been noted that though we have executed successfully the following assignment for NHIDCL, it's not reflected in your letter. Details of the assignment available on Infracon as well as submitted in FIRM's references in Appendix-II along with our bid. Assignment name: "Specialised consultancy services for 'Good for Tender' design based on detailed investigations, estimation, survey, costing and preparation of Technical Schedules of EPC documents for construction of 1200 m, long new 4-lane bridge with approaches and river training works over river Jia Bharali in the State of Assam."	Only ongoing works under NHIDCL has been reflected in the result. Since the specific assignment executed by the bidder has been already completed, therefore the same is not reflected in the result.
02	Further, we would like to draw your kind attention that as per our evaluation, our point should be around 72 out of 80 i.e. allotted point of 64 out of 80 for Firm's relevant experience considering five different criteria.	The proposal has been evaluated as per RFP. The marks allotted to the firm by TEC against the marks claimed by the firm are detailed under Annexure-I.
<u>M/s Technical Consultancy Services (received vide their letter dated 30.10.2021)</u>		
1	Kindly refer clause no. 12.1 Stage-I: Proof of Eligibility Evaluation (Table-1: Minimum Eligibility Requirements) The applicant should have experience of atleast 1 project for preparation of DPR of slope stabilization/protection and scientific treatment for sinking/sliding zones. Explanation : Note - The experience of a firm in preparation of DPR for Highway/Airport/Railway/Hydro/Tunnel/Irrigation works shall be considered.	For eligibility, the bidders must have experience of atleast 1 project for preparation of DPR of slope stabilization/protection and scientific treatment for sinking/sliding zones, however DPR prepared for Highway/ Airport/

<p>Hence, the experience of preparation of DPR for Highway works should be considered in place of DPR of slope stabilization/protection & scientific treatment for sinking/sliding zones, hence not provided with bid as already described by NHIDCL in modifies RPF document in eprocure & INFRACON portal.</p> <p>The experience certificates of preparation of DPR for highway projects are attached on page no. 44 to 71 of Proof of Eligibility.</p>	<p>Railway/Hydro/Tunnel/Irrigation works shall be taken into consideration.</p> <p>Since, the bidder does not qualify the minimum eligibility requirement of having experience of at least 1 project for preparation of DPR of Slope Stabilization/protection and Scientific treatment for Sinking/sliding zones, thus it was declared Non-Responsive.</p>
---	--

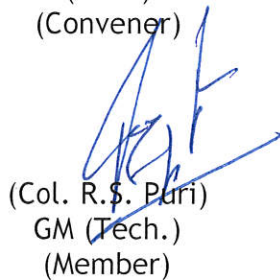

4. TEC opined that the final technical scores of all the firms remain unchanged, as detailed under para 1 above and accordingly TEC recommends that the following 04 (Four) bidders qualify for Opening of Financial Proposal:

1. M/s SPECTRUM Techno Consultants Pvt. Ltd. in association with M/s Genstru Consultants Pvt. Ltd.
2. M/s VKS Infratech Management Pvt. Ltd.
3. M/s XPLOER Consultancy Services Pvt. Ltd.
4. M/s Thoughts Consultants Jaipur Private Limited
