7. The details of Technical Capacity, Financial Capacity and the Bid Capacity of the 14 (Fourteen) bidders are attached as Annexure-I.

8. Observations of the Committee:

The Committee observed that 1 bidder out of 14 (Fourteen) bidders, have submitted the financial capacity such as Net worth of FY 2018-19 and annual turnover from FY 2018-19 to FY 2014-15. Accordingly, the Committee considered the financial statements for annual turnover from FY 2018-19 to 2014-15 since bidder has submitted the undertaking as per clause 2.2.2.8 (ii) of RFP.

9. As per the RFP, the Net worth of previous financial year and the Annual Average Turnover of the last five financial years certified by Statutory Auditor submitted in technical bid should be uploaded on UDIN portal of ICAI.

The Committee observed that some bidders have uploaded certificates indicating the Net Worth and Annual Turnover on the UDIN portal other than that of statutory auditor and few bidder have provided the UDIN no. not reflecting year wise break-up of receivable value for civil work given by the Statutory Auditor. The Committee decided to consider the values uploaded on UDIN Portal matched with the value of Audited Balance Sheet. However if any of these bidders becomes L1, then further verification if required can be done before award of the work.

10. After due deliberation TEC concluded that following three firms are not eligible for opening of their financial bids due to the reasons given against their name. These firms may submit their representation if any within two days of uploading of technical result:

2	M/s Kalyan Toll Infrastructure Limited	The bidder should have submitted at least one completed similar work to qualify the RFP Cl. 2.2.2.2 (ii). However, projects claimed for similar work does not meet the eligibility criteria of RFP Cl. 2.2.2.2 (ii). Hence, the bidder considered as non-responsive.
3	M/s Evergreen Infrabuild Pvt. Ltd.	As per RFP Cl. 2.2.2.2 (i), bidder should have technical threshold capacity. However, some projects submitted in technical bid do not meet the eligibility criteria of RFP Cl. 2.2.2.5. Therefore, bidder does not meet the technical threshold capacity. Hence, the bidder considered as non-responsive.
