NHIDCL, New Delhi**

## **GENERAL TERMS & CONDITIONS**

**Name of Work:-**     **Removal of dirt and dust from the inner surface of Air-conditioning duct and balancing of supply and return of air distribution system at NHIDCL, 3rd floor, PTI Building, 4, Parliament Street, New Delhi-110001.**

The terms and condition for the above cited work shall be as under:-

1. The time allowed for the completion of work is 15 days after issue of award letter and has to start within 3 days of the award of work.
2. Extension of time shall normally be not permitted, however, in case necessary the permission of the same may be obtained from NHIDCL in writing giving reasons thereof.
3. The rates quoted shall be for complete work. The bidder must quote the rates all inclusive. The work will be awarded to the technically qualified bidder who is L-1 in over all bidding.
4. Interested bidder may inspect the establishment (NHIDCL) at 3<sup>rd</sup> Floor, PTI Building, 4, Parliament Street, New Delhi-110001 during office hours on all working days, in order to assess and understand the scope of work, failing which the bidder will be responsible for consequences there from.
5. The bids shall remain open for acceptance for a period of 90 days from the date of opening of tender.
6. NHIDCL reserves the right to accept/reject any of the tender without assigning any reason whatsoever.
7. The bids shall be submitted in dual bid system in separate sealed envelopes clearly mentioned on the top of envelopes as "Technical Bid" and/or "Price/ Financial Bid".
8. Bad workmanship is liable to be rejected and no payment on that account will be made.
9. No Advance payment will be made to the contractor. The payment shall be released after completion of the work. The contractor shall submit the final bill with detail of measurement, which will be checked and verified by the Engineer in-charge of NHIDCL.
10. 90% of the total payment shall be released to the contractor after statutory deduction on satisfactory completion of the work, remaining 10% will be kept as Security Deposit till the defect liability period.

11. In case any defect in notice during the DLP, the contractor would be liable to rectify the same within 7 days, failing which, NHIDCL will get the same rectified at the risk & cost of the contractor.
12. In case any extra work is required to be executed for proper air distribution, the same shall be executed with the prior approval of the competent authority, in writing.
13. The rate of extra item shall be as per current market rate and based on DSR-2014, which is also subject to prior approval of the competent authority in NHIDCL.
12. The contractor shall clean the dropping of dirt/ dust or another material waste material, which is used during progress of work from the floors, doors, windows, furniture's etc., immediately after the work and no extra payment will be made on this account.
13. The contractor shall be fully responsible for the safety precautions, Labour Laws and payment of Labour cess, VAT, Service Tax or any other Taxes directly to the concerned department. NHIDCL shall not entertain any claim whatsoever in this respect.
14. The contractor shall comply with minimum wages act and no minor labour should be engaged at the work site.
15. The contractor shall be responsible for any damage to the equipment, furniture, structure or injuries to the personnel during the progress of the work and he shall be liable to pay such compensation as may be decided by the competent authority of NHIDCL in respect of such damage/ injuries.
16. Contractor or his qualified authorized representative should always be available at the site of work to take the instructions from the Engineer in-charge, NHIDCL and ensure proper execution of work.
17. The work shall be carried out in the required manner to cause minimum disturbance to the working of NHIDCL.
14. The work performed must be having a defect liability period for one year from the date of completion of work.
