4. While evaluating the technical bids of the above mentioned bidders, TEC in its meeting dated 07.08.2020 examined the submissions made by the bidders and observed some discrepancies in the submitted technical bids. Accordingly, TEC recommended for seeking clarifications from the bidders. The details of the queries raised by the NHIDCL and the reply of the bidders are annexed at **Annexure-B.**

5. During the evaluation on 17.08.2020 (2nd Meeting), the TEC observed that all the query raised by the NHIDCL has been received by all the bidders. The remarks of TEC w.r.t the observations and reply received are annexed at **Annexure-B**.

6. It was brought to the notice of Committee that one of the bidder, M/s Progressive Construction Ltd. vide letter no. PCL/HYD/BD/NHIDCL/Kafer-Lava/PKG-V-A /2020/13 dated 13.08.2020, has requested and asked permission to withdraw the bid submitted for this subject project. As per RFP Clause 2.14.3 the bidder can modify/withdraw their bid before due date. However after bid due date, if a bidder withdraws his bid during the period of bid validity, he shall be debarred for a period of one year from participating in the future projects of NHIDCL, as per clause 2.20.4 read with Clause 2.20.5. This matter was deliberated during the meeting and Committee is of the view that, since bidder has proposed to withdraw his bid during technical evaluation, this may be allowed declaring him technically **Non- responsive**. As regards

debarment of the bidder for one year, as per Clause 2.20.5 for withdrawal of bid, this may be too harsh on bidder, as the bidder has requested the Authority before the technical evaluation, which has not vitiated the bidding process. Hence, the Committee is of the view that penal action on the bidder may not be taken as per Clause 2.20.5.

S.NO.	Bidder's Name	Reference	Query	Reply of Bidder	Remarks of TEC
1.	M/s. Progressive Constructions Ltd.	Clause 2.2.2.2 (ii) Technical Capacity	The bidder has claimed Project Code-b for the Single Completed Similar Nature of Bridge Criteria for Technical Threshold Capacity. It is found that the claimed Project is Maintenance/IRQP work and comes under Category-4 as per Clause 2.2.2.5 (iii) (III). Accordingly, the same work cannot be considered for Single Completed Similar Nature of Bridge Criteria. ***Please clarify the same accordingly.***	**Vide letter dated 08.08.2020:** In reference to your above letter, this is to inform you Clause 2.2.2.2(ii) is related to Major Bridge. However, our above referred bid does not have any Major Bridge as is obvious in Annexure-I (Schedule-B) para-7.3.1 (ii) and there is only 1 minor bridge at design chainage 15+307 which need to be reconstructed. Further, it is to inform you that we are already in the process of undertaking two major bridge 2 spans of 45 mts each and 2 minor bridges of 45 mts span in Hunli- Anini road project in the State of Arunachal Pradesh , being executed by NHIDCL. Further, it is to bring to your kind notice that apart from the maintenance/IRQP workof Lakhisari, Bihar, we have also given details of Chhattisgarh PKG-7A road work executed by us the which is of similar nature.	**Bid Withdrawn**

				Due to typographical error the maintenance/IRQP work of Lakhisari, Bihar was mentioned in Category-3 as against Category-4. Revised technical threshold capacity is enclosed.	
		Annexure-III of Appendix-IA, Appendix-X and Appendix-XI	The Statutory Auditor has mentioned wrong UDIN No. on the issued Certificate for Net worth and Turnover (viz. Appendix-X & Appendix-XI). After verification of UDIN No. of the certificate of Net Worth and Turnover (i.e. Appendix-X and Appendix-XI) issued by the Statutory Auditor, the claimed figures of Net Worth and year-wise Turnover as per Annexure-III of Appendix-IA, Appendix-X, Appendix-XI and Audited Balance sheet are not matching. ***Please clarify the same accordingly.***	**2(a)** As regard to the mismatch of UDIN No. it is to state that in the Turnover Certificate issued by the CA the maximum amount in the last five years in the year 2014-15 is amounting to Rs. 286.833 Cr. with net cash accruals of Rs. 27.01 Cr. and Net worth of Rs. 140.50 Cr. In the issued of the UDIN No. 20025824AAAACA2003 there are only 3 options accordingly the Chartered Accountant generated UDIN for turnover and Net worth accordingly. Hence there is no false information in our submission and for which we are again submitting the year wise turnover, Appendix-X and Appendix-XI for your ready reference. **2(b)** The net worth and year wise turnover	**Bid Withdrawn**

				worked out by us are reproduced from which it is clear that the figures as per the Annexure-III of Appendix-IA, Appendix-X and Appendix-XI are matching with the audited balance sheet as such there is no mismatch. In view of above clarification we request you to consider us technically qualified for this bid. **Vide letter dated 09.08.2020:** In continuation to our letter referred above iii), we hereby submit clarification given by our Chartered Accountant which should satisfy you clarification. We hope that it will convince you and thus consider our bid technically qualified. **Statutory Auditor M/s C Venkat Krishna & Co. has submitted as under:**

We have generated common UDIN No. for the above 3 certificates i.e. 20025824AAAACA2003.
