Date: 06.08.2018

**Subject:** Consultancy Services for Authority's Engineer and Engineer-In-Charge as Applicable for Km. 0.00 to Km. 330.70 of Andaman Trunk Road in the Union Territory of Andaman & Nicobar Islands for EPC Contracts Packages (Total Length =90 Km.) and Item Rates Contracts (Total Length: 64.40 Km.) respectively - **Reply to pre-bid queries - Regarding.**

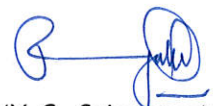

Sir,

With reference to the queries received to NHIDCL on the subject mentioned above. The response of NHIDCL is as under:

S. No.	Particulars/Clause No.	Suggestions	Comments of NHIDCL
1	Page 25 6. Sub Criteria for Sr. Quantity Surveyor Point 2 (b): Experience as Quantity Surveyor in atleast two projects in Construction Supervision of Bridge Projects of 480 mtr length or more (2 projects minimum)	We appreciate if the criteria is reduced to maximum 1 project as usually Quantity Surveyors' don't provide bridge details in the projects.	As per RFP documents
2	Page 26 6. Sub Criteria for Sr. Material Engineer Point 2 (b): Experience as Material Engineer in Construction/ Construction Supervision of Bridge Project of length 480 mtr or more (2 projects minimum)	We appreciate if the criteria is reduced to maximum 1 project as there is separate marking for abroad experience and also Material Engineers' don't provide bridge details in the projects.	As per RFP documents
3	Page 28 6. Sub Criteria for Sr. Bridge Engineer Point 2 (a): total professional Experience in Bridge projects.	It is very difficult to get a person who has only dealt with bridge projects for 20 years. Therefore, we request you to consider highway projects involving major bridges.	As per RFP documents

4	<p>Page 28</p> <p>6. Sub Criteria for Sr. Bridge Engineer  Pont 2 (b): Experience in Construction/Construction Supervision of major bridge/interchange over Sea/Creek</p>	<p>We understand that the project involve major creek bridge. However, it is unlikely that a person having 15 years of experience in major bridge/interchange over Sea/Creek.</p> <p>We appreciate if you could consider experience of all types of major bridges/flyovers/interchange/ RoB above 480 meter in total experience.</p>	<p>As per RFP documents</p>
