		<p>in category 1 and/ or category 3 specified in Clause 2.2.2.5. for this purpose, a project shall be considered to be completed, if more than 90% of the values of work has been completed and such completed value of work is equal to or more than 25% of the estimated project cost.</p> <p>From the above, it is evident that value of single contract specified in the NIT is Rs. 425.65 Crores which is 82.24% of the Estimated Project Cost (Rs. 517.58 Cr.) as against 25% specified in the above referred MoRTH Circular. This will restrict competitive bidding and wider participation of bidders.</p>	
4	RFP General	<p>The site visit of the subject work is taking considerably long time due to remoteness of the work site and the type of terrain as it requires very detailed and meticulous planning and assessment to execute the EPC project in forest infested and mountainous terrain with inadequate logistic support. You will appreciate that in order to workout flawless and a very competitive bid would require time to assess and estimate the finer details.</p> <p>We are very keen to participate in the subject work and request you to kindly extend the date of submission by at least 04 (four) weeks from the present date of submission in order to submit a very competitive bid.</p>	As per Corrigendum No. I
