5. It was brought to the notice of committee that one of the bidder, M/s Buru Enterprises vide letter no.BE/HIGHWAY-01/PKG-6/2020-21/157 DATED 16.07.2020, has informed of some mistake in their bid submitted on this project, "the mistake involves an error in the total amount of Amount of Error resulting from Reason for Mistake. This error is reflected in the total bid price and thus this mistake have added to the total computation of their total bid". As per RFP clause 2.14.3 the bidder can modify/withdraw their bid before due date. However after bid due date, if a bidder withdraws his bid during the period of bid validity, he may be debarred for a period of one year from participating in the future projects of NHIDCL, as per clause 2.20.4 read with clause 2.20.5. This matter was deliberated in the Committee and Committee is of the view that, since bidder has proposed to withdraw his bid during technical evaluation, this may be allowed declaring him technically **Non- responsive**. As regards debarment of the bidder for one year, as per clause 2.20.5 for withdrawal of bid, this may be too harsh on bidder, as the bidder has informed the Authority of his mistake before the technical evaluation, which has not vitiated the bidding process. Hence, the Committee is of the view that penal action on the bidder may not be taken as per clause 2.20.5.

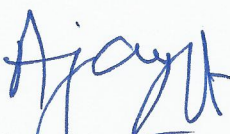

6. In addition to above clarification, the details of Technical Capacity, Financial Capacity and the Bid Capacity of the all the 9(Nine) bidders are enclosed as Annexure –A and it is observed by the committee that all the bidders meet the Technical bid capacity, Single work, Financial threshold and bid capacity, hence, 7(seven) out of 9(nine) bidders declared as Technically responsive.

7. The Empowered Technical Evaluation Committee (ETEC) in its 2nd meeting has discussed the evaluation and after deliberation status of evaluation is as below.

| 1. | M/s JAINCO ENTERPRISES PVT. LTD. | Technically Responsive |
