DCA			
22.	Clause 19.1.6 @, Article 19 Payments, Page no.74	<p>The modified foot note as below:</p> <p>@ For the avoidance of doubt, payment in foreign currency is explained by example below: Fixed rate of exchange stated in Schedule-T shall be the rate published by RBI 28 days prior to deadline for submission of bids i.e. 19.01.2018 (28 days prior to bid submission date i.e. 15.02.2018). For example, if fixed rate of exchange is 1 US\$ = INR 65 and payable amount for any invoice in foreign currency is US\$10; then the equivalent payable amount in INR = 10x65 = Rs 650; Thus, payable amount for that invoice in US\$ will be the equivalent US\$ for Rs 650, as per the RBI exchange rate on the day of payment. It is thus* clarified that the actual payment in US\$ may be less or more than US\$ 10 based on the actual exchange rate of RBI on the day of payment, however the same shall be considered as the payment of US\$ 10 under the Contract. Foreign Currency fluctuation between 28 days from the bid submission date i.e. 15.02.2018 and at the time of payment shall be borne by the contractor.</p>
