Corrigendum - IV

NHIDCL/Nagaland/DK3/Viaduct/BP/2023/ 1824

Date: 22/09/2023

To,

All Respective Bidders

Subject: Construction of RCC Box Cell Viaduct by Box Pushing Method at chainage Km 157+200 to Km 157+500 along with other ancillary works on NH-29 in the State of Nagaland under SARDP-NE through Engineering, Procurement and Construction (EPC) contract basis - **Modification in tender documents.**

Tender Id: 2023_NHIDC_756910_1

Sir/Madam,

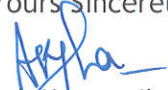

Please find herewith Corrigendum-III for modification in tender documents on the above mentioned subject as per details below:

Sl.No	Tender Details	Existing Provision	Modified provision
1.	RFP Clause 2.2.2.2 (iii)(c) Similar Work Experience: RCC Box Cell Viaduct	The sole Bidder shall have completed at least one similar RCC Box Cell Viaduct (Box Push) project in Highway/Road/Railway sector the last 5 (Five) financial years preceding the Bid Due Date, having total length equal to or greater than 50% of the total length of viaduct to be constructed (50% of box push in 150 m length) or 100 m, & having atleast 50% of the cross sectional area of the viaduct to be constructed, with minimum pushing of 25% of total length of viaduct at one place (25% of box push in 150 m length) and also the cost of such similar project shall be at least 20% of the Estimated Project Cost. For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been completed and such completed value of work is equal to or more than 20% of the Estimated Project Cost.	The sole Bidder shall have completed at least one similar RCC Box Cell Viaduct (Box Push) project in Highway/Road/Railway sector the last 5 (Five) financial years preceding the Bid Due Date, having total length equal to or greater than 50% of the total length of viaduct to be constructed (50% of box push in 150 m length) or 100 m, whichever is less & having atleast 50% of the cross sectional area of the viaduct to be constructed, with minimum pushing of 25% of total length of viaduct at one place (25% of box push in 150 m length) (criteria for cross sectional area and minimum pushing at one place to be fulfilled in same project or in other projects as well) and also the cost of such similar project shall be at least 20% of the Estimated Project Cost. For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been completed and such completed value of work is equal to or more than 20% of the Estimated Project Cost.

2.	RFP Clause 1.1.1	The National Highways & Infrastructure Development Corporation Limited (NHIDCL) represented by Managing Director (the "Authority") is engaged in the development of National Highways and as part of this endeavour, the Authority has decided to undertake the work of "Construction of RCC Box Cell Viaduct by Box Pushing Method at chainage Km 157+200 to Km 157+500 along with other ancillary works on NH-29 in the State of Nagaland under SARDP-NE through Engineering, Procurement and Construction (EPC) Basis" (the "Project") through an Engineering, Procurement and Construction (the "EPC") Contract, and has decided to carry out the International Competitive bidding process for selection of a Bidder to whom the Project may be awarded. A brief description of the project may be seen in the Information Memorandum of the Project at the CPPP website https:// eprocure.gov.in/eprocure/app . Brief particulars of the Project are as follows:					The National Highways & Infrastructure Development Corporation Limited (NHIDCL) represented by Managing Director (the "Authority") is engaged in the development of National Highways and as part of this endeavour, the Authority has decided to undertake the work of "Construction of RCC Box Cell Viaduct by Box Pushing Method at chainage Km 157+200 to Km 157+500 along with other ancillary works on NH-29 in the State of Nagaland under SARDP-NE through Engineering, Procurement and Construction (EPC) Basis" (the "Project") through an Engineering, Procurement and Construction (the "EPC") Contract, and has decided to carry out the International Competitive bidding process for selection of a Bidder to whom the Project may be awarded.
