Reply to Pre-Bid queries

NHIDCL/Nagaland/DK3/Viaduct/BP/2023/1823

Date:22.09.2023

To,

All Respective Bidders

Subject: Construction of RCC Box Cell Viaduct by Box Pushing Method at chainage Km 157+200 to Km 157+500 along with other ancillary works on NH-29 in the State of Nagaland under SARDP-NE through Engineering, Procurement and Construction (EPC) contract basis - **Reply to Pre-Bid queries.**

Tender Id: 2023_NHIDC_756910_1

Sir/Madam,

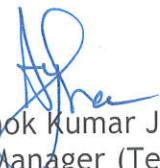

Please find herewith reply to pre-bid queries on the above mentioned subject as per details below:

Sl No	Particulars	Clause and Description	Queries	Reply
1.	RFP Clause 2.2.2.2 (iii)(c) Similar Work Experience	The sole Bidder shall have completed at least one similar RCC Box Cell Viaduct (Box Push) project in Highway/Road/Railway sector the last 5 (Five) financial years preceding the Bid Due Date, having total length equal to or greater than 50% of the total length of viaduct to be constructed (50% of box push in 150 m length) or 100 m, & having atleast 50% of the cross sectional area of the viaduct to be constructed, with minimum pushing of 25% of total length of viaduct at one place (25% of box push in 150 m length) and also the cost of such similar project shall be at least 20% of the Estimated Project Cost. For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been	A. Cost of similar project shall be at least 20% of the estimated cost. B. Must have completed total length equal to or greater than 50% of the total length of viaduct to be constructed or 100 m (Note – whichever is less is missing, please clarify). C. Having at least 50% of the cross sectional area of the viaduct to be constructed with minimum pushing at one place of 25% of the total length of viaduct to be constructed. There are 2 criteria to be	May refer Corrigendum-IV.

		<p>completed and such completed value of work is equal to or more than 20% of the Estimated Project Cost.</p>	<p>fulfilled in 1 single project. We request you to kindly consider/allow the criteria to be fulfilled in one or two different projects, as Box Pushing is not a widely/frequently executed activity. This shall enable us to bid for the project.</p> <p>D. We would like to mention that may projects of Box Pushing under North Central Railway, Northern Railway etc were executed by installing restricted height girder (RH Girder) or by installation of some structural steel structure under the running railway tracks as per the drawing of Northern Railway. After installation of such structure air pushing was done. In order to discourage participation of such superficial air pushing projects department may insert some clauses if it so desires. This may be taken as a suggestion if it benefits the department.</p>
