The Authority will evaluate only those BIDs that are received online in the required formats and complete in all respects and with Bid Security Declaration, copy of online receipt/ original demand draft towards payment of cost of Bid document, POA and Joint Bidding Agreement etc. are received in hard copies	i. The Bidder shall provide all the information sought under this Bid Document. The Authority will evaluate only those BIDs that are received online in the required formats and complete in all respects and with Bid Security Declaration, copy of online receipt towards payment of cost of Bid document, POA and Joint Bidding Agreement etc.
5	Section III Evaluation and Qualification Criteria (EQC)	Technical Capacity Cl. 1.1.3 (A)	i. For demonstrating technical capacity and experience (the "Technical Capacity"), the Bidder shall, over the past 10 (Ten) financial years preceding the Bid Due Date, have received payments for construction of Eligible Project(s), and has undertaken construction works by itself in a EPC project, such that the sum total thereof, as further adjusted as explained in subsequent clauses under Section III, is more than ₹ 500 Crore (Indian Rupees Five Hundred Crore) (the " Threshold Technical Capacity "). For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been completed and such completed value of work is equal to or more than INR 500 Crore (5000 Million Indian Rupees).	i. For demonstrating technical capacity and experience (the "Technical Capacity"), the Bidder shall, over the past 15 (Fifteen) financial years preceding the Bid Due Date, have received payments for construction of Eligible Project(s), and has undertaken construction works by itself in a EPC project, such that the sum total thereof, as further adjusted as explained in subsequent clauses under Section III, is more than ₹ 500 Crore (Indian Rupees Five Hundred Crore) (the " Threshold Technical Capacity "). For this purpose, a project shall be considered to be completed, if more than 90% of the value of work has been completed and such completed value of work is equal to or more than INR 500 Crore (5000 Million Indian Rupees).
6	Section III EQC	Technical Capacity Cl. 1.1.3 (A)	(ii) The Sole Bidder or in case the Bidder being a Joint Venture shall necessarily demonstrate experience in construction of specialized projects of either cable stayed or cable suspension or extradosed bridge on 2*4**/6***/8**** lanes in a single deck for highway or	(ii) The Sole Bidder or in case the Bidder being a Joint Venture shall necessarily demonstrate experience in construction of specialized projects of either cable stayed or cable suspension or extradosed bridge on 2*4**/6***/8**** lanes in a single deck for highway or expressways projects. Further, the Bidder

Sl. No.	Ref. RFP Section	Clause No.	Existing RFP provision	Revised /Amended RFP provision
			expressways projects. Further, the Bidder should have completed at least one bridge of cable stayed or cable suspension or extradosed bridge of 500mtr length having one span of not less than 110 mtr. In addition, should have completed aggregate length of bridge (including approach viaduct) of 10 km over sea / perennial river/creek / estuary in last 15 (Fifteen) financial years and one bridge of value not less than INR 500 Crore (5000 Million Indian Rupees) in last 10 (Ten) financial years preceding the Bid Due date ("Mandatory Experience").	should have completed at least one bridge of cable stayed or cable suspension or extradosed bridge of 500mtr length having one span of not less than 110 mtr. In addition, should have completed aggregate length of bridge (including approach viaduct) of 10 km over sea / perennial river/ creek / estuary in last 15 (Fifteen) financial years and one bridge of value not less than INR 500 Crore (5000 Million Indian Rupees) in last 15 (Fifteen) financial years preceding the Bid Due date ("Mandatory Experience").
7	Section III EQC	Technical Capacity Cl. 1.1.3 (A)	(iii) For requirement of Technical capacity, one single work INR 500 Crore should have been completed from the Eligible Projects in Category 1 and/or Category 3 specified in Clause related to " Categories and factors for evaluation of Technical Capacity " individually by Lead Member of JV members as a single work or by sole Bidder. In addition, the other members of JV should have been completed one Bridge work of 2500 Million Indian Rupees (INR).	(iii) For requirement of Technical capacity, one single work INR 500 Crore should have been completed from the Eligible Projects in Category 1 and/or Category 3 specified in Clause related to " Categories and factors for evaluation of Technical Capacity " individually by Lead Member of JV as a single work or by sole Bidder.
8	Section III EQC	2.4.2 (a) Notes for the bidders	(v) In case of a JV, the value of Contracts completed by its members shall not be aggregated to determine whether the requirement of the minimum value of a single Contract has been met. Instead, each Contract performed by each member shall satisfy the minimum value of a single Contract as required for single entity. In determining whether the JV meets the requirement of total number of Contracts, only the number of Contracts completed by all members each of value equal or more than the minimum value required shall be aggregated.	(v) In case of a JV, the value of Contracts completed by its members shall not be aggregated to determine whether the requirement of the minimum value of a single Contract has been met. Instead, each Contract performed by any member shall satisfy the minimum value of a single Contract as required for single entity. In determining whether the JV meets the requirement of total number of Contracts, only the number of Contracts completed by all members each of value equal or more than the minimum value required shall be aggregated.
9	Section III EQC	2.5 Other Eligibility Criteria/Qualification Table Sl. No. 1, PC cable/wire tensioning and grouting for PC bridge girders	Successful completion of three (3) or more contracts/projects for tensioning and grouting of continuous PC bridge girders of the minimum single span length of 110 m or more in the last 10 years.	Successful completion of three (3) or more contracts/projects for tensioning and grouting of continuous PC bridge girders of the minimum single span length of 110 m or more in the last 15 years.
10	Section III EQC	2.5 Other Eligibility Criteria/Qualification Table Sl. No. 2, Stay cable installation works	Successful completion of one (1) or more contracts/projects for stay cable installation works with minimum single span length of 125m or more in the last 10 years	Successful completion of one (1) or more contracts/projects for stay cable installation works with minimum single span length of 110m or more in the last 15 years

Sl. No.	Ref. RFP Section	Clause No.	Existing RFP provision	Revised /Amended RFP provision
11	Section III EQC	2.5 Other Eligibility Criteria/Qualification Table Sl. No. 3, Well Sinking	Successful completion of contracts/projects for well sinking with minimum outer diameter of 10m or more in the last 10 years.	Successful completion of contracts/projects for well sinking with minimum outer diameter of 10m or more in the last 15 years.
