(SECTION-II)
INSTRUCTIONS TO BIDDERS
& APPENDIX TO BID

Section II
Instructions to Bidders (ITB)
A. General

1. Scope of Bid

1.1 The Employer (i.e. Managing Director, National Highways & Infrastructure Development Corporation Ltd.) invites bids for “as described in these documents and referred to as “the works”. The name and identification number of the works is provided in the Notice Inviting Tender.

1.2 The successful bidder will be expected to complete the works by the intended completion date specified in the Contract data.

1.3 Throughout these Bidding Documents, the terms “bid” and “tender” and their derivatives (bidder/tender, bid/tender, bidding/tendering, etc.) are synonymous.

2. Source of Funds

2.1 The expenditure on this project will be met by National Highways & Infrastructure Development Corporation Ltd (NHIDCL).

3 Eligible Bidders

3.1 This Invitation for Bids is open to all bidders meeting the qualification requirements prescribed in this document.

3.2 Bidders shall not be under a declaration of ineligibility for corrupt and fraudulent practices by the Central Government, the State Government or any public undertaking, autonomous body, authority by whatever name called under the Central or the State Government.

4 Qualification of the Bidder

4.1 Deleted

4.2 All bidders shall furnish the following information and documents with their bids in Section-III, Qualification Information.

a) Scanned copies of Original documents defining the constitution or legal status, place of registration, and principal place of business; scanned copy of written power of attorney of the signatory of the Bid to commit the Bidder; & original copy of Written Power of Attorney, proof of payment of tender fee and bid security declaration to be submitted in the envelop of physical form before issue LOA.

b) Scanned copy of total monetary value of civil engineering construction works performed for each of the last three years; (2020-21, 2021-22, 2022-23)

c) Scanned copy of evidence of availability (either owned or leased or rented) of items of construction equipment named in the Appendix to ITB. [Clause 4.4 B(b) (i)]

d) Scanned copy of details of the technical personnel proposed to be employed for the Contract having the qualifications defined in Appendix to ITB. [Clause 4.4 B(b) (ii)]

e) Scanned copy of reports on the financial standing of the Bidder, and a certificate from Chartered Accountant as a proof of turnover for the last three years;

f) Scanned undertaking that the bidder will be able to invest minimum cash upto 25 % of contract value of work, during implementation of work.

g) The Machines should be in good condition. The self-attested copy of the registration certificate as well as insurance certificate and copy of the purchase document or lease document or rented document should be submitted along, All necessary taxes and pollution certificate for operating the Machines should be valid upto 180 days from bid due date and which shall be extended till services rendered to NHIDCL and the fee towards the same shall be fully paid by Agency/Contractor and all necessary papers shall be provided in the Machines as required by prevailing Motor Machines Act with comprehensive insurance coverage for the Machines

- h) Scanned copy of information regarding any litigation or arbitration during the last three years in which the Bidder is involved, the parties concerned, the disputed amount, and the present status;
- i) An affidavit on a Stamp Paper, duly attested from the Notary Public, that the information furnished with the quotation documents is correct in all respects.

4.3 Bids from joint ventures, consortiums, combination or any sort of arrangement between two or more than two entities are not allowed.

4.4 A. To qualify for award of the contract, each bidder in its name should have the following; -

- a) Achieved an average annual financial turnover (in all classes of civil engineering construction works only) 50% to the amount indicated in NIT during last three years ending 31st March of the previous financial year, duly certified by Chartered Accountant.
- b) satisfactorily completed (not less than 60% of contract value), as a prime contractor (or as a nominated subcontractor, provided further that all other qualification criteria are satisfied) similar works during last three years ending last day of month previous to the one in which bids are invited, at least one contract of Highway (Road/ or Bridge works)/ Airport runway of 40% of the value of contract (i.e Rs. 0.32Cr).

[The “similar work” constitutes clearance of landslide /earthwork on highways/ (The base year should be considered as 2020-2021)]

4.5 Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

- a) Made misleading or false representations in the forms, statements, affidavits and attachments submitted in proof of the qualification requirements; and/or
- b) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc. or debarred from MoRT&H/NHAI/NHIDCL/State PWD work etc.
- c) Tampered the bid document in any manner.

5 One Bid per Bidder

5.1 Each Bidder shall submit only one Bid for a particular package. A Bidder who submits more than one Bid for the same package will cause be disqualified.

6 Cost of Bidding

6.1 The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will, in no case, be responsible or liable for those costs.

7 Site Visit

7.1 The Bidder, at his own cost, responsibility and risk, is encouraged to visit, examine and familiarize himself with the Site of Works and its surroundings including source of earth, water, road aggregates etc. and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder's own expense. He may contact the Branch Office of NHIDCL in this regard.

8. The successful bidder shall be communicated of the same by the Authority through Letter of Award (LOA), subsequent to which the consultant has to be submit, within 10 days of issue of the LOA, a Demand Draft amounting to 3% of the Contract Price duly pledged to NHIDCL RO Shillong as a part of Performance Security which shall be returned/ released to the Bidder after 90 days calculated from the

successful Completion date of the above said stretch (i.e. after the same is duly certified by the General Manager (P), NHIDCL PMU Myllem).

9. The Machines should be in good condition. The self-attested copy of the registration certificate as well as insurance certificate and copy of the purchase document or lease document should be submitted along with the Quotations.

ANNEXURE- 'A' TERMS AND CONDITIONS

1. The Machines should be in good condition. The self-attested copy of the registration certificate as well as insurance certificate and copy of the purchase document or lease document should be submitted along with the Quotations.
2. All necessary taxes and pollution certificate for operating the Machines should be valid upto 180 days from bid due date and which shall be extended till services rendered to NHIDCL and the fee towards the same shall be fully paid by Agency/Contractor and all necessary papers shall be provided in the Machines as required by prevailing Motor Machines Act with comprehensive insurance coverage for the Machines. All the cases related to accident/damages/compensation shall be the responsibility of Machines Owner/ Agency/Contractor.
3. The Machines shall be available day and night (24*7 hours) as required by Project Monitoring Unit (PMU) Office at Myllem (Meghalaya), NHIDCL.
4. The Agency/Contractor shall bear all expenses required for keeping the Machines in smooth running condition such as fuel, lubrications oil & other consumables, necessary service & maintenance, repairs & replacement etc. and salary of the driver per month & his related expenses for duty.
5. In the event of any Machines being off the site for maintenance or on any account of breakdown, the Agency/Contractor shall provide a substitute Machines immediately. If Agency/Contractor fails to do so at any point of time, Project Monitoring Unit (PMU) Office at Myllem (Meghalaya), NHIDCL is free to get work done at risk and cost of the contractor. In such case Penalty of Rs. 5000/- per day shall also be levied.
6. The quoted rates shall be inclusive of all taxes but excluding GST.
7. The Agency/Contractor should submit their bills in duplicate/original along with logbook and photographic record within 1st week of every month for payment if any.
8. The quoted rates shall be valid for contract period. Variation/revision in quoted rates on account of any increase in fuel or spares cost/maintenance/insurance/driver salary will not be entertained during the contract period.
9. The successful bidder shall be communicated of the same by the Authority through Letter of Award (LOA), subsequent to which the consultant has to be submit, within 10 days of issue of the LOA, a Demand Draft amounting to 3% of the quoted amount (as calculated from the percentage of Estimated Project Cost quoted) duly pledged to NHIDCL RO Shillong as a part of security which shall be returned/ released to the Bidder after 90 days calculated from the successful Completion date of the above said stretch (i.e. after the same is duly certified by the General Manager (P), NHIDCL PMU Myllem).
10. The Agency/Contractor should be able to supply the required Machines within seven days from the date of Letter of Acceptance.
11. An affidavit on a Stamp Paper, duly attested from the Notary Public, that the information furnished with the quotation documents is correct in all respects.
12. NHIDCL reserves full rights to curtail, modify, halt/cancel, reject any or all offer/s, at any stage

without assigning any reasons and no claims of whatsoever nature will be entertained on this account.

13. The supply of Machines is initially for duration of contract period i.e. 01 months only from the date of agreement. Machines may be continued beyond the stipulated period on the rates quoted & condition herein if required by NHIDCL and agreed by the bidder.

14. Bid/ quotation shall remain valid for period of 120 days from bid/ quotation due date

15. Precautions for Safeguarding the Environment

The Contractor shall preserve existing trees, plants and other vegetation that are to remain within or adjacent to the works and shall use every precaution necessary to prevent damage or injury thereto. On completion of the Works, all areas disturbed by the Contractor's construction activities shall be restored in their original condition, or as may be acceptable to the Engineer. The cost of this work shall be deemed to be included in the rates generally.

16. Plant and Equipment

During the day, plant and equipment working in a position adjacent to traffic and having a projection beyond the normal width of the item, for example, a grader blade

shall have a fluorescent red marker attached to the outer end of the projection. During poor light conditions an additional traffic controller with an illuminated red marker shall direct traffic around such plant and equipment. At night, all plant items and similar obstructions shall be removed from the normal path of Machines, to provide a lateral clearance of at least 6m where practicable, with a minimum clearance of 1.2m.

Plant and equipment, within 6m of the normal path of Machines, shall be lit by not less than two yellow steady lamps suspended vertically from the point of the obstruction nearest to a traffic lane, and one yellow steady lamps at each end of the obstruction on the side farthest away from the traffic lane.

17. Timeline for clearances

The contractor shall put all his efforts in order to clear the road within 2 hrs from the occurrence of landslides. In case of heavy landslides, the traffic should be open within 24 hrs. In case, contractor fail to rectify (except unavoidable situation), suitable penal action will be against your firm including monetary penalty (limited to max. 10% of Contract price)

18. Information board

The contractor shall affix the board at various places in which name of contractor, contact person name, contact person phone no. (Minimum two persons name) for public information, so that in case of landslides occurrence, public can approach us directly.

19. Photographs and Measurement book

The contractor shall maintain record (measurement book) and clicked photographs before the start of clearance work and after the clearance work (Geo Tagged and real time basis). The same should be vetted and signed by Engineer in charge for verification of same. The above mentioned details/ record should be submitted along with invoice raised for payment.

CONDITIONS OF CONTRACT

Part I General Conditions of Contract (GCC) and Contract Data

1. Employer's and Contractor's Risks

1.1 The Employer carries the risks which this Contract states are Employer's risks, and the Contractor carries the risks which this Contract states are Contractor's risks.

2. Employer's Risks

2.1 The Employer is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in the Employer's country, the risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor's employees), natural calamities and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.

3. Contractor's Risks

3.1 All risks of loss of or damage to physical property and of personal injury and death, which arise during and in consequence of the performance of the Contract other than the excepted risks, referred to in clause 11.1, are the responsibility of the Contractor.

4. Payments

7.1 Payments shall be adjusted for deductions for advance payments, security deposit, other recoveries in terms of the Contract and taxes at source, as applicable under the law. The Employer shall pay the Contractor the amounts Engineer had certified within 14 days of the date of each certificate.

7.2 The Authorized Representative of the Employer shall make the payment certified by the Engineer.

7.3 Items of the Works for which no rate or price has been entered in the Bill of Quantities, will not be paid for by the Employer and shall be deemed to be covered by other rates and prices in the Contract.

5. Taxes & Currencies for payments

5.1 The rates quoted by the Contractor shall be deemed to be inclusive of the sales and other levies, duties, royalties, cess, toll, local bodies and authorities that the Contractor will have to pay for the performance of this Contract Excluding GST. The Employer will perform such duties in regard to the deduction of such taxes at source as per applicable law.

5.2 All payments will be made in Indian Rupees.

12. Completion

12.1 The Contractor shall request the Engineer to issue a certificate of Completion of the Works, and the Engineer will do so upon deciding that the Works is completed.

(SECTION-IV)

**FORMS OF
LOA & AGREEMENT.**

FORM OF DECLARATION FOR BID SECURITY

(On the letter head of the bidder)

I hereby submit a declaration that the bid submitted by the undersigned, on behalf of the bidder, [Name of the bidder], shall not be withdrawn or modified during the period of validity, i.e. not less than 120 (one Hundred Twenty) days from the bid due date.

I, on behalf of the bidder, [Name of the bidder], also accept the fact that in case the bid is withdrawn or modified during the period of its validity or if we fail to sign the contract in case the work is awarded to us or we fail to submit a performance security before the deadline defined in clause 7 of the Request for Proposal (RFP), then [Name of the bidder] will be suspended for participation in the tendering process for the works of MoRTH/NHAI/NHIDCL and works under other Centrally Sponsored Schemes, for a period of one year from the bid due date of this work.

ADDITIONAL CONDITIONS

PREAMBLE:

The Additional Conditions contained herein shall be read in conjunction with the other Bidding Documents as specified.

1. Before tendering, the tenderer shall inspect the site of work and shall full acquaint himself the above terms and conditions with regard to site, nature of soil, availability of material suitable location /or execution of work and time involved in the work (over the entire duration of contract) including local conditions that restrictions, obstructions and other conditions, as required for satisfactory and timely execution of the work. His rates should take into consideration all such factors like supply and storage of materials, man and machinery, land etc. and contingencies. No claim whatsoever shall be entertained by the NHIDCL on this account.
2. The contractor must study the specifications and conditions carefully before tendering.
3. The contractor shall have to make approaches to the site, if so required and keep them in good condition for transportation of labour and materials as well as inspection of work by the Engineer. Nothing extra shall be paid on this account.
4. The contractor shall all times carryout work on the highway in a manner creating No intolerance in the flow of traffic as per director of Engineer/Employer.
5. All managements for traffic diversion during construction including maintenance of diversion road shall be considered as incidental to the work and contractor's responsibility and nothing shall be payable to him in this respect. However, if any new diversion road is constructed by the contractor, the same shall be paid separately.
6. The work shall be carried out in such a manner so as to interfere or effect or disturb either works, being executed by other agencies, if any.
7. Any damage done by the contractor to any existing work shall be made good by him at his own cost.
8. The work shall be carried out in the manner complying in all respect with the requirement of relevant byelaws of the local bodies under the jurisdiction of which the work is to be executed and nothing extra shall be paid on this account.
9. For completing the work in time, the contractor might be required to work in trio or more shifts including night shifts and no claim whatsoever shall be entertained on this account notwithstanding the facts that the contractor will have to pay to the labourers and other staff engaged directly or indirectly on the work according to the provision of the law regulation and the agreement entered upon and/or extra amount /or any other reason.
10. The contractor shall make his own arrangements for obtaining electric connection(s) as required and make necessary payment directly to the department concerned. The Department will however make all reasonable recommendations to the authority concerned in this regard.
11. The contractor or his authorized representative should always be available at the site of work to take instructions from Engineer or his authorized representative and ensure proper execution of work(s) or work should not be done in the absence of such authorized representative.

12. The contractor shall maintain in good condition all works executed till the completion of the entire work allotted to the contractor.
13. No payment will be made to the contractor for damage caused by raids, or other natural calamities during the execution of works and no such claims on this account will be entertained.
14. Royalty at the prevalent rates and all other incidental expenditure shall have to be paid by the contractor on all the boulders, metal, earth, sand, bajri etc. collected him for the execution of the work direct to the concerned Revenue Authority of the state or central Govt. His rates are deemed to include all such expenditure and nothing extra shall be paid.
15. The contractor shall take all necessary measures for the safety of traffic during construction period, erect and maintain such barricades, including signs, markings, flags, lights and flagman, as necessary at either end of the excavation endangerment are at such intermediate points as directed by the Engineer for the proper identification of construction area. The Contractor's rate shall include above items of work and nothing extra shall be paid to Contractor. He shall be responsible for all damages and accidents caused due to negligence on the part.
16. The contractor shall provide suitable barricading with suitably painted single row of the sheets about 3'- 0" wide (90cms) nailed or bolted with wooden poles spaced 2 to 3 metre apart and each pole 1.6m to 2m long, 8 cm to 10 cm dia. The poles will be embedded to mobile iron pedestal rings suitably framed for giving stable support without hindrances to the traffic as per direction of the Engineer/NHIDCL. All management (including, watch and ward) of barricades shall be the full responsibility of the contractor. The barricade shall be removed only after completion of the work or part of the work. The contractor's rates which include all above items of work and nothing extra shall be paid to the contractor over and above his quoted rates.
17. The temporary warning lamps shall be installed at all barricades during the hours of darkness and kept lit at all times during these hours.
18. The malba/garbage, removed from the site shall be disposed off by the contractor at any suitable place as directed by the Engineer.
19. All work and materials brought and left upon the ground by the contractor or by his order for the purpose of forming part of the works are to be considered to be the property of the NHIDCL and the same are not to be removed or taken away by the contractor or any other person without special license and consent in writing of the Engineer/NHIDCL but the NHIDCL is not to be in any way responsible for any loss or damaged which may happen to or in respect of any such work or materials either by the same being lost or damaged by weather or otherwise.
20. The contractor will be responsible to provide deep hand pump/tube well at site of work to make potable and safe drinking water to labour engaged in execution of work.
21. The rates for all items of work, unless clearly specified otherwise, shall include the cost of all labour, materials dewatering and other inputs involved in the execution of the items. If any reason contractor fails to quote his rate for any item provided in the schedule of quantities it will be assumed that contractor is ready to execute that item free of cost.

22. Unless otherwise provided in the schedule quantities the rates tendered by the contractor shall be all inclusive and shall apply to all heights, depths, leads and lifts.
23. The contractor shall bear all incidental charges for cartage, storage and safe custody of materials.
24. Existing drains, pipes, cables, overhead wires, sewer lines water line and similar services encountered in the course of the execution of the work shall be protected against the damages by the contractor' The contractors shall not store material or otherwise occupy any part of the site in a manner likely to hinder the operation of such services.
25. The contractor will not have any claim in case of any delay by the Engineer in removal of trees or shifting, removing of telegraph (telephone or electric lines (overhead and underground), water and sewer lines and other structure etc. if any, which may come in the way of the work' However' suitable extension of time can be granted to cover such delay.
26. Stipulated material shall be arranged by the contractor at site of work or all the items where such materials are required.
 - (i) Tendered price submitted by the bidder are inclusive of all taxes and levies payment under the respective statutes. However, pursuant to the constitution (46th amendment Act 1982) it also further tax or levy is imposed by statute, after the date of receipt of tenders and the contractor there upon necessarily and properly pays such taxes/levies, the contractor shall be reimburse the amount so paid, provided such payment, if any, is not in the opinion of Regional Officer-Shillong/Project Director whose decision shall be final and binding attributable to delay in execution of the work within the control of the contractor'.
 - (ii) The contractor shall keep necessary books of account and other documents for the purpose of this condition as may be necessary and shall allow inspection of the- same by a duly authorized representative of the Government and further shall furnish such other documents as Engineer may require.
 - (iii) The Contractor shall within a period of 30 days of imposition of any further tax or levy in pursuant to the constitution of (46th amendment) Act 1982, given a written notice thereof to the Engineer that the same is given pursuant to this condition together with all necessary information relating thereto.
27. Contractor may be required to execute this work under foul position. The decision of the Engineer whether the position is foul or not shall be final and the binding of the contractor and nothing extra for executing the work in foul position is payable, beyond what is provided in the schedule of quantities.
