Amendment No. 4

1. Clause 1.2.10 of Section-I (Introduction) of RFP, (Page no. 10 of 78)

New Clause 1.2.10 is added as below:

"The Ministry of Road Transport and Highways has developed the Bidder Information Management System (BIMS) to streamline the process of Pre qualification of bidders for EPC/ HAM/ BOT modes of contracts with enhanced transparency and objectivity. BIMS shall work as a database comprising bidder wise information covering basic details, civil work experience, cash accruals and net worth, annual turnover etc. so that bidder's pre-qualification is quickly assessed based on evaluation parameters like threshold capacity and bid capacity from the already stored data.

While this would become mandatory after 1st April, 2018, prospective bidders are advised that in addition to uploading details on CPP Portal and/ or submission of hard copy of the Technical Proposal as per the requirement of RFP document, all are requested to upload on BIMS Portal (www.bims.gov.in) their company related details, which may be used by NHIDCL for cross verification".
